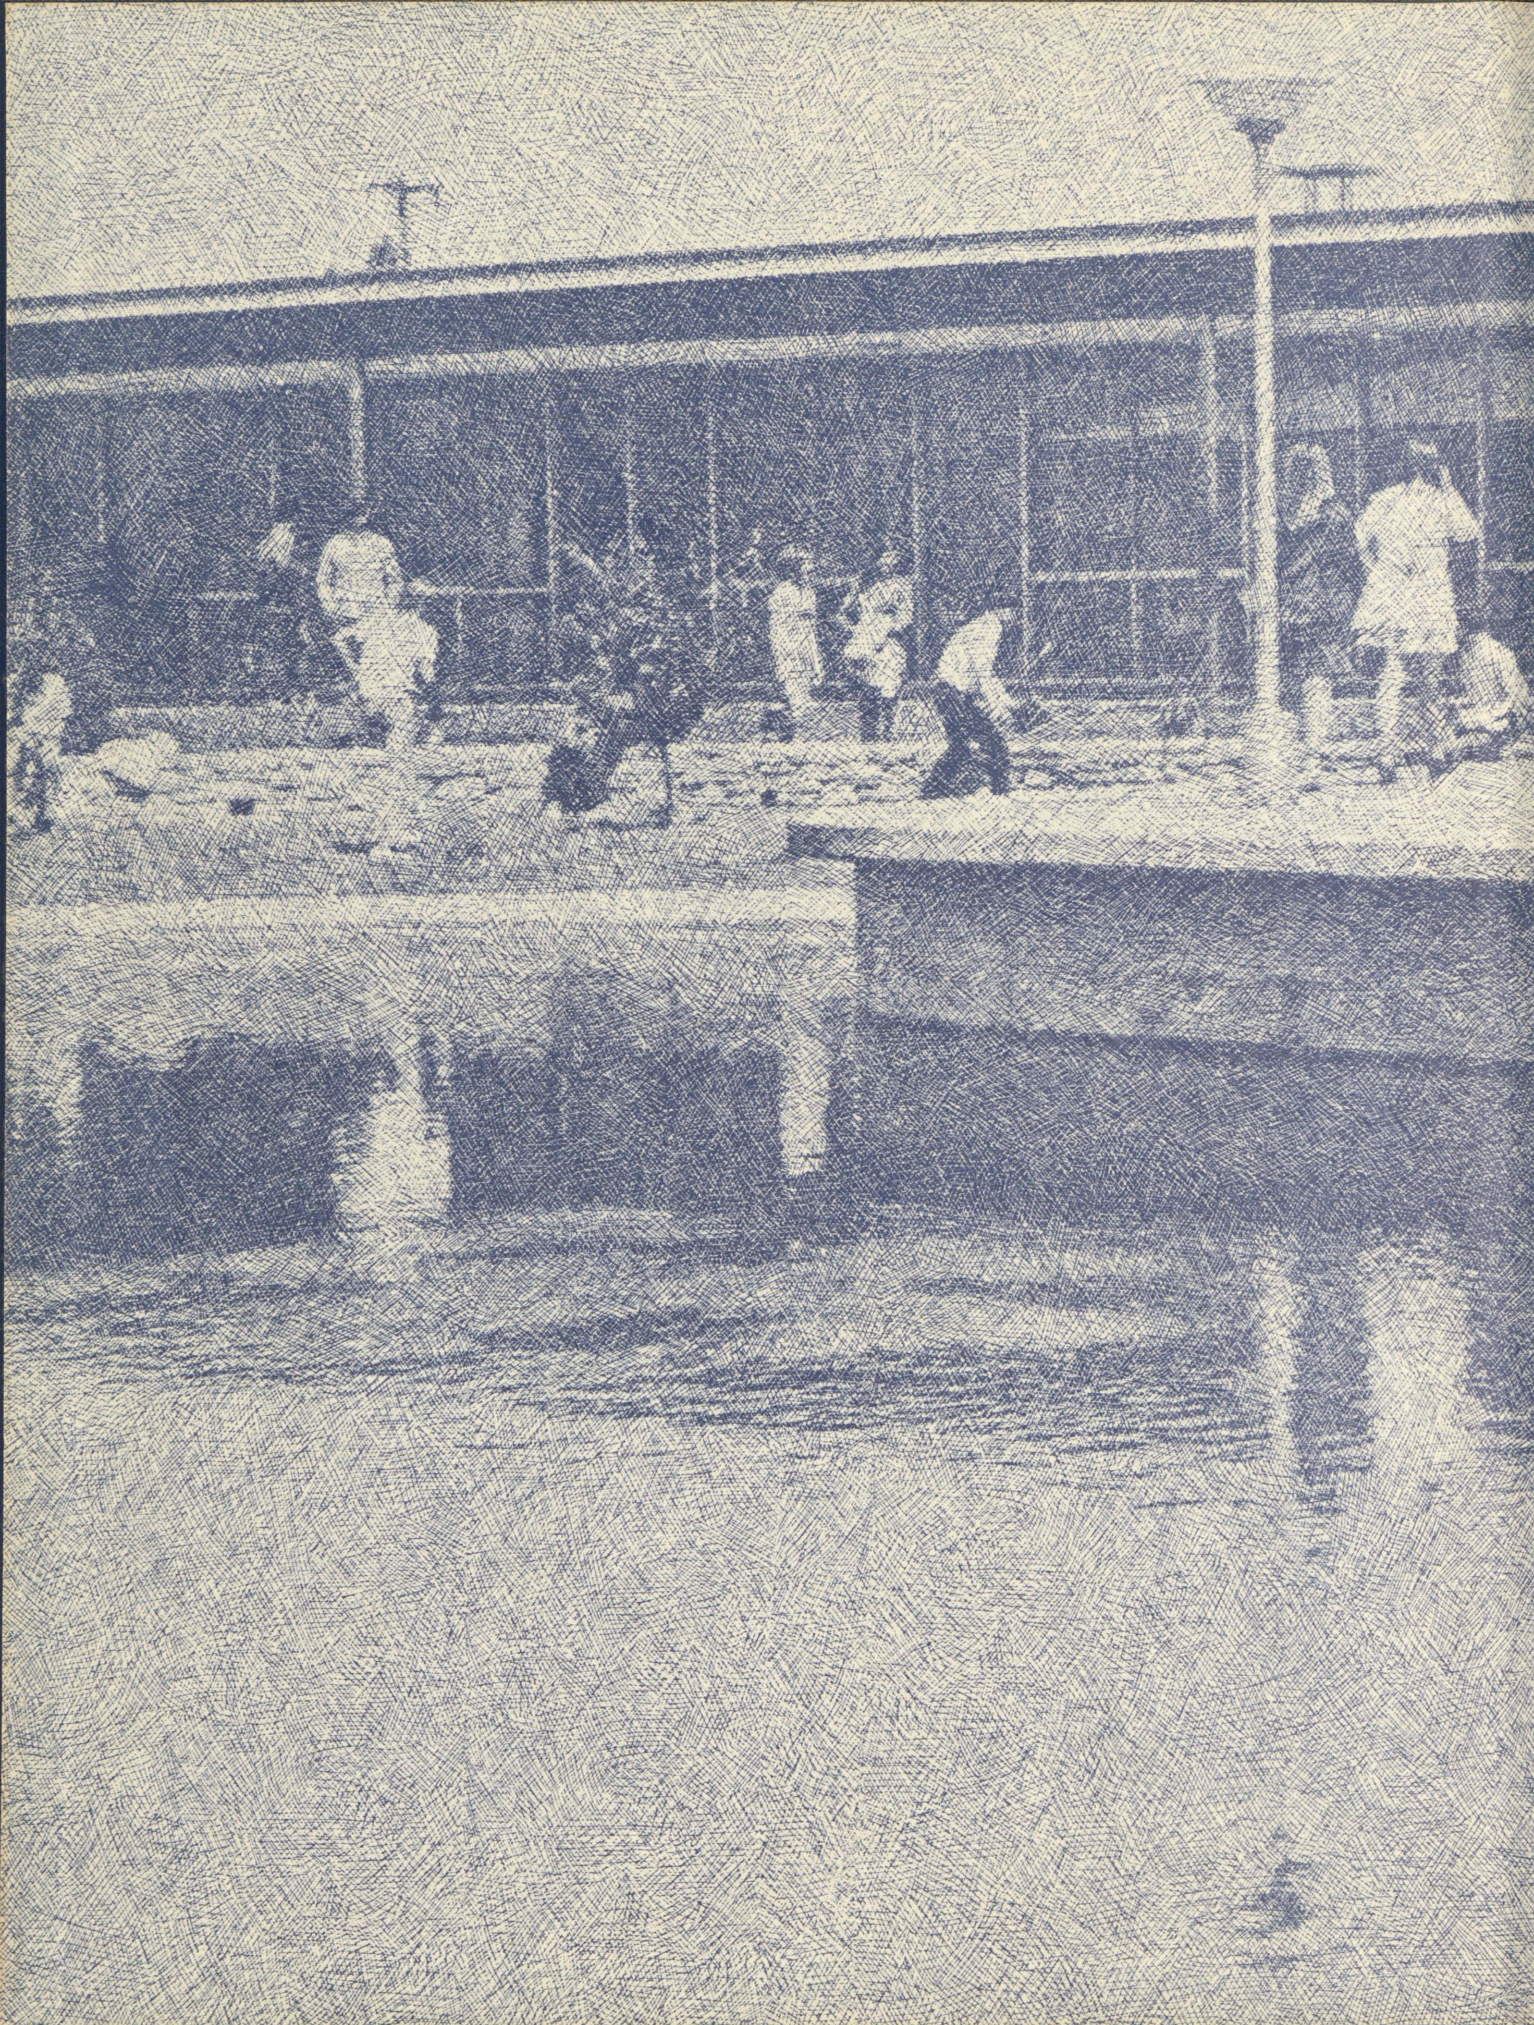
70·DMHS



A New Decade Forsees No End to Troubed Times.

January first, 1970, saw not only the entrance of a new year, but also a new decade, leaving the 60's behind in the annals of time. With the passing of these ten years America, perhaps for the first time in history, felt growing pains that were to shape the future in this decade and many more to come. The war in Vietnam took its toll, amid the tears of relatives and loved ones, and yet no end has been reached. Riots in Detroit and Newark separated the races even further apart and over-population spread disease and hunger in countries around the world.

But the 60's also leave behind pleasant memories. America's youth acquired not only new music and hair styles, they also made known their thoughts and ideas, and were listened to. Anti-Pollution movements stimulated public awareness in the areas of ecology. And lastly in one short decade, man set foot on the moon, something he had only dreamed about a few years ago.

As we students move on into the 70's, maybe we can help to make these even better years to remember.

A Year of Events

Noteworthy events started early in this 69-70 school year, beginning with MacArthur's fall visit by Emi Aoyama from Sendai, and Kiyomi Shiga from Oita City, Japan. The purpose of their visit was to observe American methods of teaching English, in order that they might be better versed when teaching it in their homeland.

Progress this school year was also marked by the near completion of Heritage High, which, upon the loss of our late president Dwight D. Eisenhower, was renamed Eisenhower High School in his honor.

MacArthur's scholastic enrollment was thankful for a mild winter this year, which caused the loss of only one school day due to snow.

Early in May the MacArthur campus was graced with the presence of Mrs. Lemore Romney. Mrs. Romney spoke to us about today's youth.

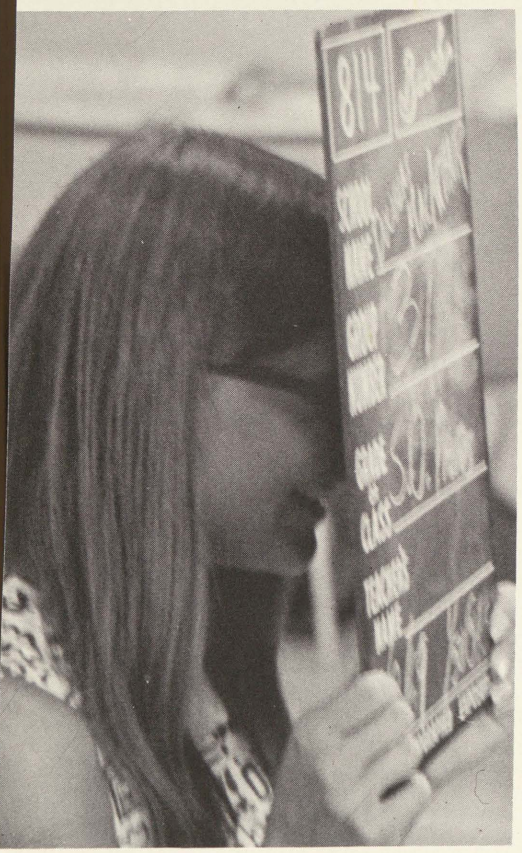
2057 Invade General Country



Shy Carol Cornell is caught by the camera.

Douglas MacArthur's doors opened September 3rd at 8:30 A.M. and 2057 students streamed in throughout the morning to enroll for the 1970 school year. The students, teachers, and administrators joined in the confusion and excitement of registration day.

As the second year on a split schedule rolled into motion, last year's juniors took their place at the top as seniors; sophomores moved up the ladder and began morning sessions, while the freshman, now experienced, took their place, leaving room for the eighth graders to take on their role as high school freshman.

The new year had started and excitement made the students anxious to pursue their goal of graduation.

Student—A Personal Challenge

AMERICAN EXCHANGE STUDENTS: Kerre Cotter, Ronda Chadwick, Jan Otto, Cinda Caffey, Ann Murphy, Jill Thomas, Marty Koerner, Bonnie Pieschke, Richard Waston, Vickie Davidson, Tom Northway, Jill Benson, and Sue Tillock.

Each year approximately 3000 foreign Youth for Understanding (YFU) exchange students enter the United States. Here they get the opportunity to live with an American family and attend the local high school. Naturally this is a great experience and challenge for both the student and the family.

In the task of adjusting to the new environment, the students as a rule learn not only a great deal about other people, but also about themselves.

This exchange program annually provides services for a great number of American students going to Europe and Asia for the summer.

Certainly participating in the program is a great experience and due to the fine results YFU has had, more and more students participate each year.

Cast Spell Over Evening

The rain, a General victory, and a "A Magic Carpet Ride," cast the spell for the mysterious evening that came.

Seven excited girls anxiously waited out the rain to see the Mighty Generals topple Cheasaning by a score of 47-24. This boosted their season record to six wins and one loss. During the wet halftime ceremonies the queen and her court were presented to a spirited crowd. Reigning over the festivities were Queen Amy McDonald, Josie MacDonald, Sheila Weber, Kay Kershul, Lynne Peterson, Patty Nancarrow, and Dona Brechtlesbauer. They were nominated on a preliminary ballot along with Sue Dewar, Sue Ducharme, Betsy Fink, Laurie Fry, Jill Garber, Bonnie Pieschke, Marti Sedestrom, and Connie St. John.

After the victorious game, the Ones and The Haymarket Riot pounded out the beat while students, and alumni, danced on a "Magic Carpet Ride."

The spirits of Laurie Fry and Tom Tiderington were not dampened by the rain.

Amy McDonald stands proudly after receiving the team football and being presented to the crowd as the 1969-70 Homecoming Queen.

Turkey Trot—Freshmen Take First All the Way

This Year in the Turkey Trot, the Freshmen really scored. Good Plays Established at MacArthur

This year's plays contributed a lot to the entertainment field at MacArthur. The fall play was a delightful comedy, "Arsenic and Old Lace" by Joseph Kesselring with Carmen Hiser and Alison Mull in the main parts. The performances were scheduled on November 13th, 14th, and 15th.

The spring play's opening night was on March 20th, with a second performance following on March 21st. The drama was "Look Homeward, Angel" by Ketty Frings based on the novel by Thomas C. Wolfe. The main characters were enacted by Chris Schmidt, Patty Franz, Juris Geidans, Alison Mull, Carmen Hiser, and Dave Strattard.

Game!

The Pep Jug was very helpful in encouraging school spirit and participation. Each class competed in several areas to win points for the Pep Jug. The class with the most points at the end of the year won the Pep Jug.

Many ways to get points were the Competition plays, floats, bonfires; but the cheering at the pep assemblies was the most popular way. Students came to see which class could cheer the loudest. This cheering raised the school spirit and encouraged the sports' participants in their events.

Junior Prom—What Dreams Are Made of

On May 2, 1970, the Junior Prom was held in the Kiva. The Sand, and John and Charlie were the bands featured at this yearly event. The theme was "What Dreams Are Made Of" and centered around the fantasy of Alice in Wonderland. (above)

Honors Banquet

The annual Honor Banquets this year were quite a success. They are held for the students who have attained a B or better average through the school year. There were 134 Freshmen, 170 Sophomores, 142 Juniors, and 182 Seniors who made the list.

"Remember the Past Embrace the Future"

"Remember The Past, Embrace The Future" was the theme of this year's Senior Prom. The kivateria was transformed into a garden with a mountain stream, a well full of flowers, and a collage of pictures remembering the Seniors four years at MacArthur. The Prom was held on May 23, from 9:00-1:00. The music was played by Half of the Jack Bruske Orchestra.

School Board member George Olsen congratulates Seniors.

Gusty winds and a tornado watch almost forced the Graduation indoors thus limiting the number of guests for the 466 D.M.H.S. Seniors on June 11, 1970. The threat was so great that for the first time in MacArthur's history, the diplomas were handed out before the speeches. Although the skies flashed lightning and thundered, the spirits of the Seniors were high. It seemed as though nothing could dampen the exhilarated mood of the whole class.

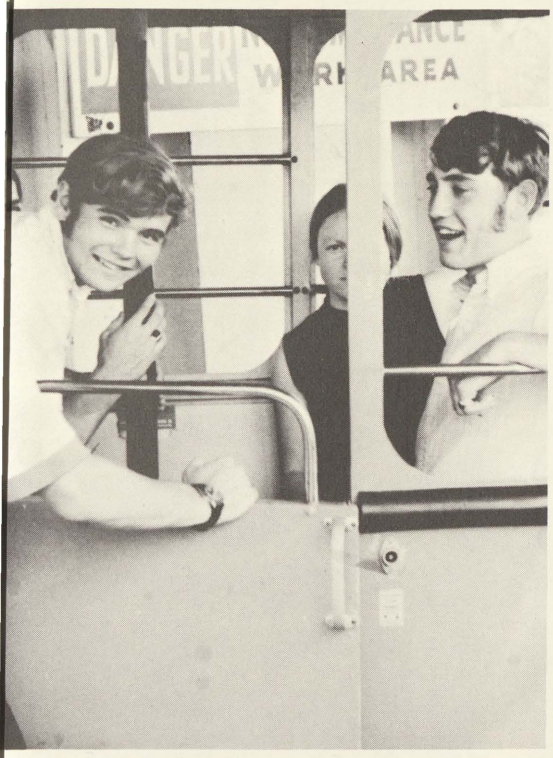
RIDING THE ROLLER-COASTER (left) and the Cable Cars (below) proved fun for Gary Rousseau, Betsy Fink, Kelly Maher, and Anne Murphy.



There were quiet moments at the Party too, as showed by Kathy Wallaert (St. Stevens) and Mark McBain.

Senior Trip and Senior Party

"Cedar Point, here we come!" cried the 1970 Senior class. The Seniors left on June 9th for their trip to Cedar Point in Sandusky, Ohio.

The Senior Party this year was held at Daniels Den and featured two bands, The Savage Grace and the Brownsville Station. The party lasted from 11:00-4:00. Mr. Bill Matson was the class advisor.

Playing Pool was a favorite at the Party also.

Organizations

Student Council Strives

The major object of Student Council this year was the organization of its members. Striving for this objective, the Council achieved larger goals through greater unification. Dividing itself into many seperate committees, various needs of the Council were met.

A new constitution was added this year. The members of student council, who are voted on by their classmates, initiated the new constitution. Members of the four classes then voted and approved it.

As president of both Student Council and the White Pine Council, Rol Jersevic helped to organize the Minor Sports Tournament. Rol was considerably aided by Secretary Suzie Ducharme, Treasurer Tom Tiderington, and Vice-president Steve Lutenski.

Far right: Suzie Ducharme smiles after the minutes are finished. Near right photos: Rol Jersevic, president showed much leadership throughout the year. The officers worked together to form a smooth running organization. Mr. Huyghe was caught pondering over a suggestion. Below center: The freshmen also took an active part in Student Council. for Unity

This Is General Country!

Students that are enthusiastic. Students with school spirit. Students who want a winning team. Those are the students that make up the D.M.H.S. Pep Club. Pep Club meetings consisted of organizing pep assemblies, poster making, and scheduling buses for away games. The only requirements for membership was, that you must be a student at D.M.H.S. and interested in promoting school spirit. The Chief of Spirit this year was Mr. Doane and his Lieutenant was President Rol Jersivic.

On January 31, 1970, 7:30 P.M., the auditorium was filled with an excited crowd. It was the night of the Drama Club's annual competition plays. All the plays provided good entertainment for both the audience and the judges.

The seniors won the competition with their play THE SANDBOX, directed by Kurt Schmidt.

Other awards given were to Laurie Fry for best actress, Tok Calvert for best actor, Glen Holman for best supporting actor, and Kathy Cornell for best supporting actress.

Key Club Picks Girl of Month

Key Clubs throughout the United States and Canada give their time and talents for the benefit of their communities and schools. This club is a subsidiary of Kiwanis and closely parallels Kiwanis in organization and in service work.

The Key Club officers for the 1969-1970 school year were: Tom Tiderington, president; Steve Lutenski, vice president; Tom Radewahn, secretary; and Rol Jersevic, treasurer.

Several of the services that Key Club provided were: running the bookstore and making a profit of $600.00, having the first record dance at MacArthur, starting the Key Club girl of the month, and attaching a plaque to the portrait of General Douglas MacArthur hung in the library.

The Pom Pom Squad in it's second year has increased considerably in size. Because of this increase, the girls had try-outs in the fall and were divided into Varsity and Junior Varsity squads. With the help of Pat D'Arcy, Varsity captain, and Cindy Wurtzel, Junior Varsity captain, the girls produced a variety of different routines.

The purpose of the Pom Pom Girls is to provide entertainment and school spirit. The squads do their routines to lively music played by the band during assemblies and half-times. Next year the girls may plan to extend their routines to all major sports. As coach of the squads, Mr. Brown keeps the spirit high.

VARSITY SQUAD: Roxanne Plater, Sandy Fenley, Linda Verpooten, Joan Winters, Linda Hull, Patty Flathau, Jane Schleimer, Mary Jones, Lois LaHart, Sue Gilliand, Shelly McMall, Captain Pat D'Arcy, Jamie LaMore, Judy Quick, Diane Laatsch. Missing from picture is Ann Neuhierl.

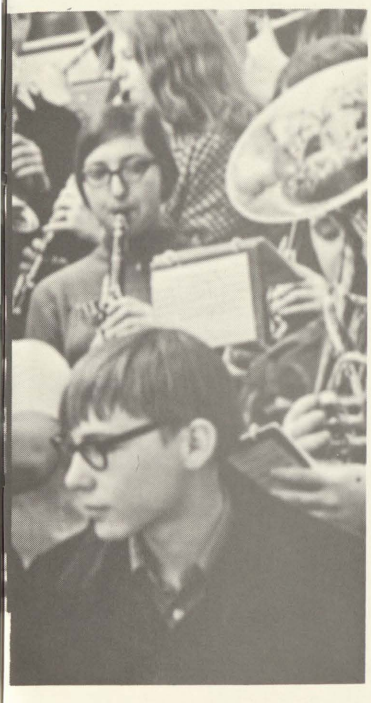
Concert and Marching Band



Members of the band line up for halftime performance.

One of the new members of the teaching staff at MacArthur this year was Mr. Bellen, the new band director. Just before coming here he graduated from the University of Michigan.

The Douglas MacArthur band provides entertainment for various activities. The band played at all home football and basketball games, and kept the spirit going at pep assemblies. By performing at the Veterans Day and the Timbertown Parades, the band brought honor to the school. The band also played for three major concerts and at a festival at Arthur Hill.

The six majorettes and the two drum majors of MacArthur assist the band to entertain spectators at home football games. Below, FRONT ROW: Lori Blohm, Jean Volker. SECOND ROW: DeAnne Day, Ronda Chadwick, Pam Drake. TOP ROW: Bob Metzger, Polly Meyers, and Jan Young.

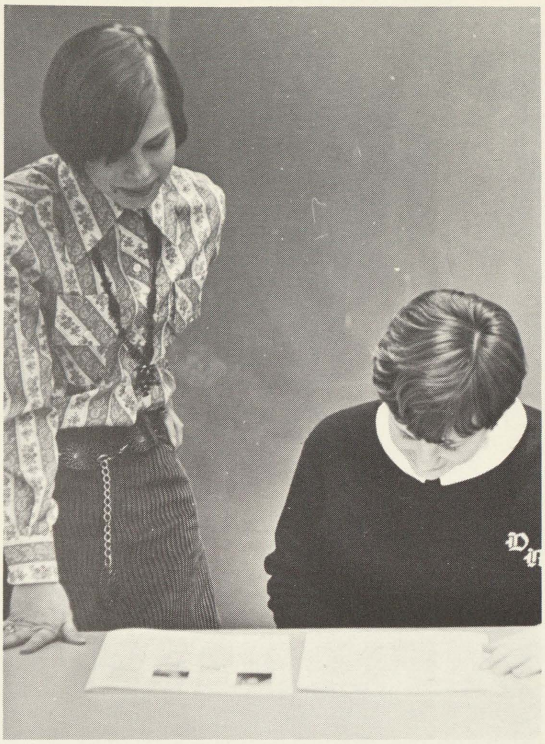
General News Reflects

Staff members Ed Nurnberg, Kevin Corry, Rue Ann Cain, and Pat Garrison type copy for the "General News".



Looking at a finished paper, Jackie Welling and Carla Montiegel search for any mistakes.

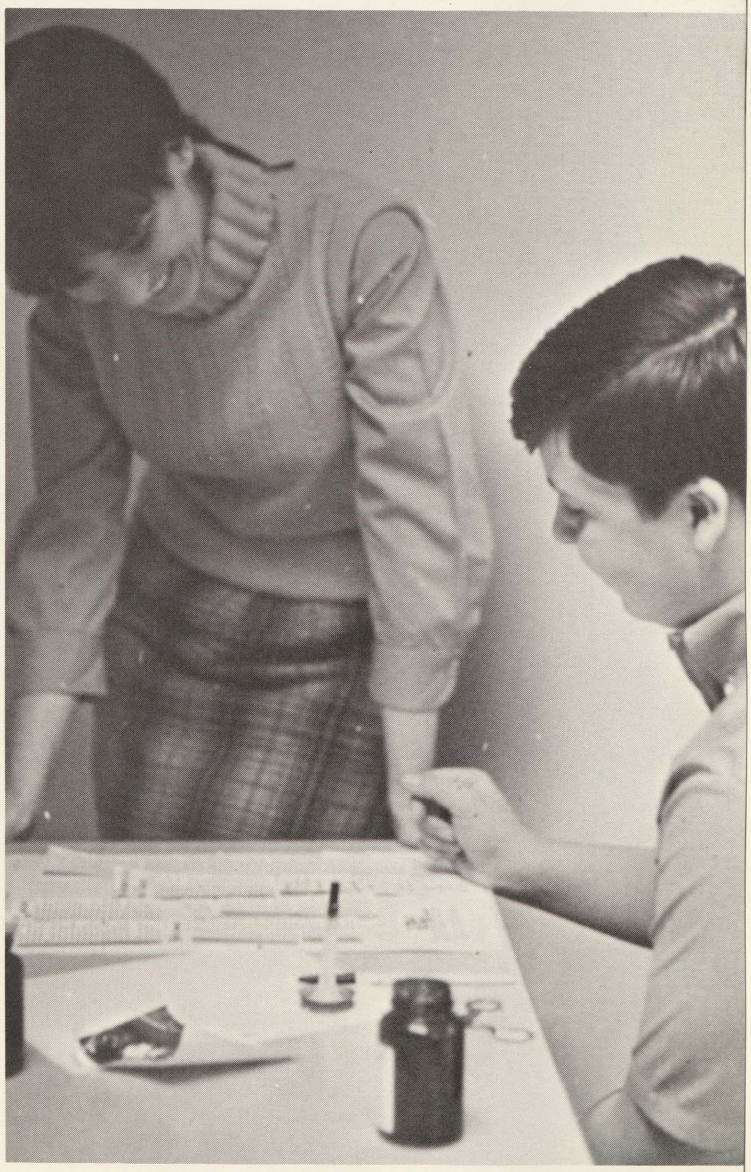
Mrs. Furgason looks serious while checking over Sports Editor Mark Carson's page.



General Pride

After three editions of THE COURIER, our school newspaper, its staff decided to change its title. Mrs. Furgason, the newspaper advisor, and her staff felt they should leave the new title up to the students of Mac Arthur. A contest was held and from the many suggestions submitted the name GENERAL NEWS was chosen as the best. The winning title was entered by four freshmen creating a four-way tie. They were Julie Jerome, Pam Blakely, Kathy Cornell, and Greg Smith.

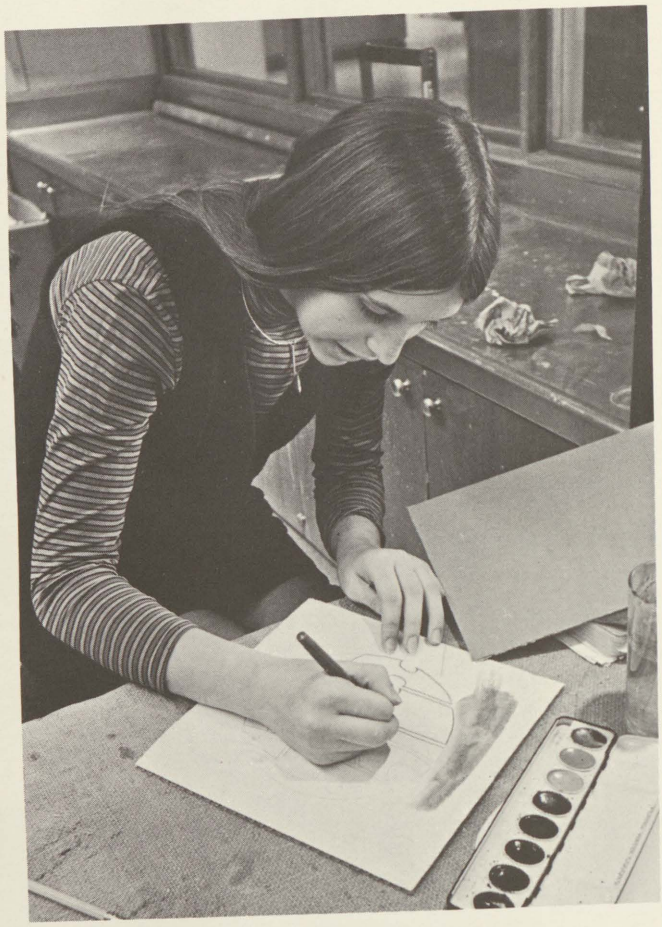
Along with the new title came a new staff. Although they were relatively young with only Beth Holmes returning from last year's staff, Mrs. Furgason felt that they did a good job. Their inexperience did not affect the quality of the paper.

ITELLA Covers Full School Year

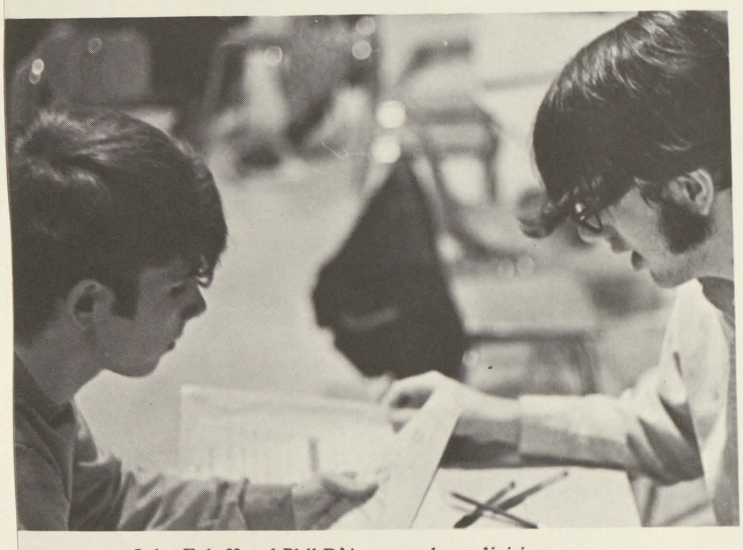
For the first time in MacArthur's history, the yearbook has been extended to cover the activities of a full school year. The Senior Class voted on having this instead of the traditional book with a spring supplement.

With spring sports and all of the graduation festivities included in the 1970 Itella, the Staff has had to extend the final deadline to June.

Some new ideas have come for the 1970 Itella with the several new faces working on the yearbook. The Staff, along with their advisor Mr. Williams, have worked hard to produce a yearbook we hope will bring back the memories of 1970 in the years to come



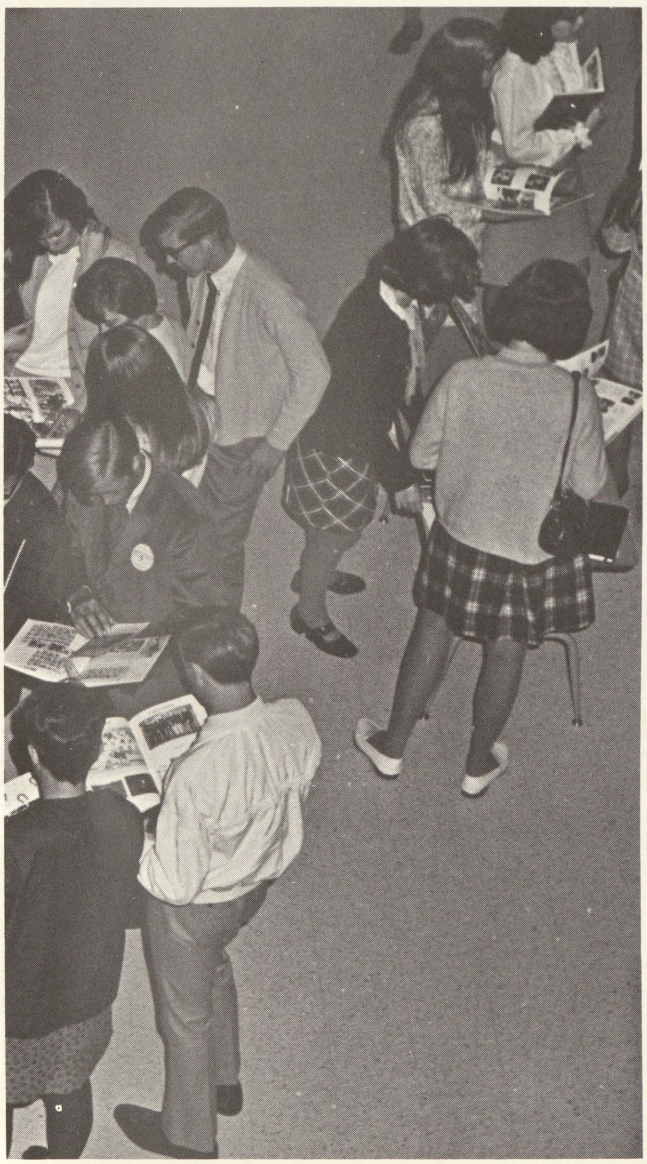
Laura Cheger works on a cover design.



John Egloff and Phil D'Arcy work on division pages.

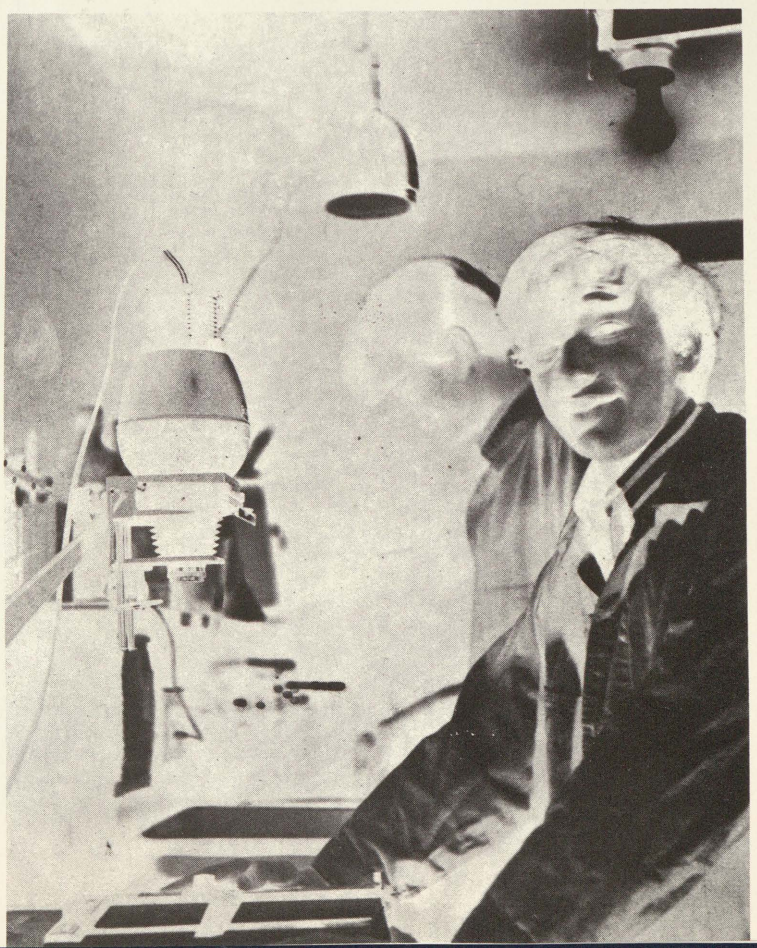
Students from area schools look over hundreds of yearbooks for new layout designs and other ideas during the I.C.P. workshop hosted by the Itella Yearbook Staff.

Mr. Williams, advisor, ponders over many problems.



Chuck Koucky and Tom Woltjer are hard at work in the darkroom.

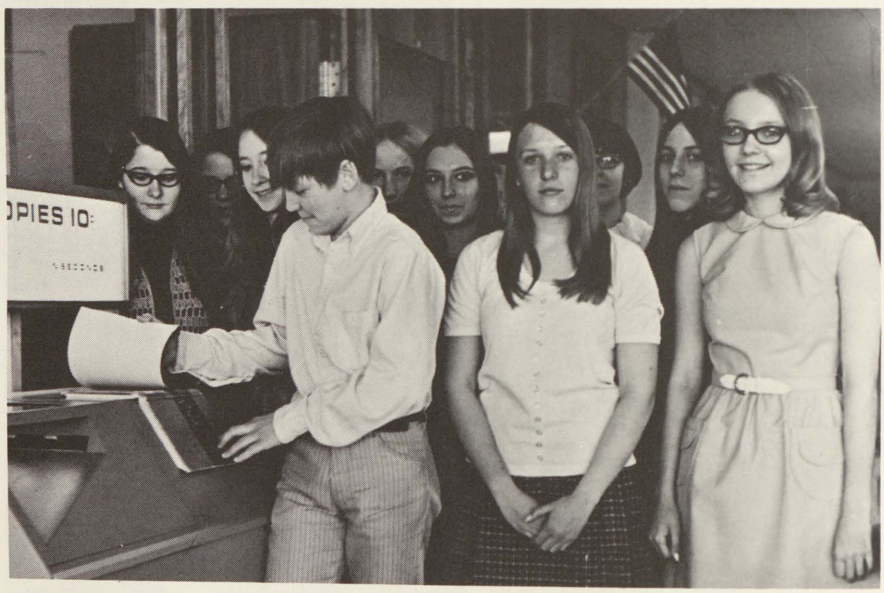
Sandy Fenley and Cindy Caffey crop and number pictures.



Denise Cabot looks through the file to find the appropriate place for a card.

The card file is a very big help to a library assistant in assisting people in the finding of a book.

Library Assistants



Along with everything else, the library assistants learned how to use the new copier machine.

The forty library assistants in the Douglas MacArthur library, again this year, proved to be a big help in assisting the patrons of the school library.

The assistants were trained and tested on the library procedures taught to them by the library staff. For this, the library assistants each received a class credit.

Ventus: The Generals' Magazine

The 1969-70 Ventus was a forty-eight page collection of the writing and drawing skills held by students at MacArthur.

Articles were submitted to the Ventus class who then judged the articles on the basis of originality, how well the author expressed his or her thoughts, and the general interest of the article.

The number of students in the class varied from nine, the first semester, to fourteen, second semester. The Ventus production was supervised by Miss Olson and printed by Mr. Bilby.

The Ventus class reviews stories to be used in the Ventus, which came out this spring.

Learning how to type and layout a page is easy for some. It's the actual doing that takes all the time and hard work.

French Club Goes to Pan's

Approximately 40 students from MacArthur went to France during the Easter Vacation. Among the places visited are: Versailles, Notre Dame, Arch de Triumph, Chartres, Fontainbleau, and the Opera. Students from Bridgeport, Carrol, Hemlock, Saginaw High and Arthur Hill went also. In all there were 140 Students on the trip.

The officers of the French Club are: President—Cathy McAdow, V.P.—Diane Kenel, Secretary—Jean Ducharme, and Treasurer—Julie King.

Gym Jesters Swing

The Saginaw Township Gym Jesters placed in the Eastern Regional Gymnastics Meets. They are coached by Mr. and Mrs. Tom Fry. The girls had no dual meets this year as in the past years. As shown by their performance in the state meet, they have made much progress since their beginning seven years ago. Besides competing, the gymnasts have put on various exhibitions. They finalized the season with their annual show. They gymnasts are as follows in the picture at the left: kneeling: Mary Lum, Irene Presnivkos, Deni Wilber. "Signs of Time" Is Theme of Sea Nymphs

Mrs. Black and her Sea Nymphs have proved once again that practice makes perfect. The annual water show was held on May 7,8,9, at 8:00 p.m. Kurt Schmidt was the narrator for the show, and before each act he explained its horoscope. Cadet Teachers Help at Middle Schools

Cadet teachers help out at middle and elementary schools. Cadet teaching is offered on a one semester basis. The purpose is to help out the teachers and to decide whether or not they have abilities necessary to be a successful teacher. Throughout the year twenty-nine girls participated in the program. The advisor is Mr. Bill Matson.

The Student Leader program at MacArthur is similiar to cadet teaching except a class is offered every day. The girls have to study the material in the classroom before going out to help the gym teachers. They help Mrs. Biver and Mrs. Black with their girls tenth grade gym classes.

CADET TEACHERS: Marcy Leeds, Roxanne Plater, Nancy McEwen, Pam Shockley, and Suzie Ducharme.

ROW FOUR: Ann Erickson, Patty Gelow, Mary Jane Franz, Irene Preskinovs, Jamie LaMore.

New at MacArthur this year was the Girls Physical Education Club made up of about twenty-six girls. During the course of the year the girls sponsored bake sales, dances and the faculty basketball game. With the money they earned, the girls planned to take a trip to Virginia Beach, Virginia. The only requirement to join, is to have a B+ average in gym. Mrs. Gladys Biver is the sponsor of the group.

The girls that are in the club, also help Mrs. Biver with her tenth grade gym classes. They receive a half a credit a semester. Their official name is Girl Student Assistants.

Medical Careers Club

This year, as in past years, Mrs. Dietiker was the advisor for the Medical Careers Club.

The club focuses its attention on various careers in medicine and health.

President Jill Cox, along with other club members, went on a field trip to Northwood Institute and Midland Hospital.

Their plan for the future was to go to visit Henry Ford Hospital in Detroit.

Y-Teens

Y-Teens, a service organization of YWCA, had a very exciting year with Mrs. Wilder, their advisor.

Their money raising activities included selling calendars, towels, and stationary. Supporting an orphan in Taiwan was one of their major projects.

The 1969-1970 officers were: Linda Kabobel, president; Karen Ehlers, vice-president; Geri Archangel, secretary; and Julie Davy, treasurer.

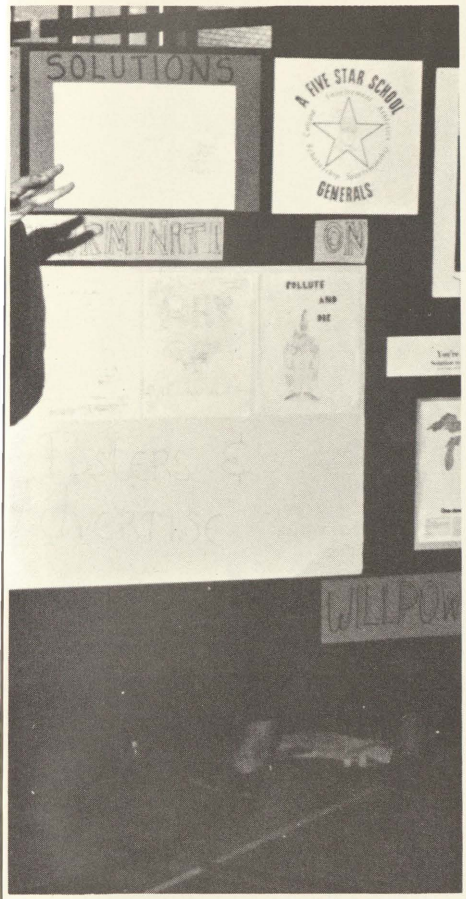
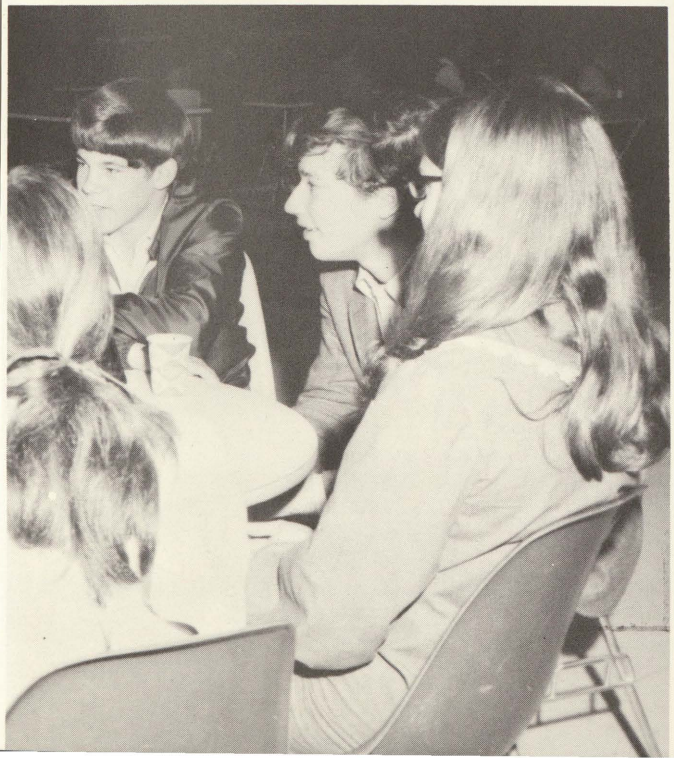
Miss Ann Cooper, editor of TEEN MAGAZINE, interviews the anti-polution campaigners.



Mr. Simpson, Michigan's Outstanding Biology Teacher of the Year, was the man behind the Pollution campaign.

Solution to Pollution?



The nationally acclaimed pollution group at MacArthur spent the year informing the public about the seriousness of pollution. Headed by Mr. Simpson, Mr. Emerik, and Mr. Miller, 300 students became involved in the campaign.

The anti-polluter's monetary needs were met by donations which came from people all over the country and by money they made from selling almost 8,000 bumper stickers.

Other activities undertaken by the members of the anti-pollution group were: an appearance on the Michigan Outdoors T.V. program, visits to area schools to conduct assemblies on anti-pollution and a special educational program presented on channels 12 and 19. The most successful activities were a week-long environmental teach-in held at MacArthur and a state-wide "Ban the Can" campaign.

The Ski Club this year is directed by Mr. Matson, Mr. Sloan, and Mr. Lukowski. It is still the largest organization at Mac Arthur with over 100 members.

By selling Tom Watt Kits along with a $5.00 membership fee, the club was able to plan trips to Boyne Highlands, Schuss Mountain, Caberfae, and Skyline, besides skiing every week at Bintz's.

The officers for the 69-70 school year were: Chris Agnew, President; Tok Calvert, Vice-President; Sandy Sanders, Secretary; and Deni Wilber, Treasurer.

that he is boss.

The Generals began the season with a 40-16 victory over Flint Kearsley. This victory set the stage for a Saturday night battle with the Arthur Hill Lumberjacks. The field was wet, but both teams had practiced all week in the rain and were ready for the clash. MacArthur again came out on top with a final score of 34-20.

The first pair of conference games saw the Generals winning. They stayed on the winning road through to the mid-season game on a very sloppy, slippery Midland field and squeezed by Dow 12-6.

The Varsity faltered only once as they fell to Mount Pleasant 16-8. This put MacArthur second in the conference with only one White Pine Conference game left. The Generals came back to defeat Buena Vista 53-18.

The Homecoming game was played with Cheasaning on a rain soaked evening. The Indians fell to the Generals 47-24.

The final game of the season was played against state-ranked Flint Carmen. The Generals slipped by them 25-21.

J V Dynasty

Behind the coaching of Mr. Mikolajczak and Mr. Lukowski, the Junior Varsity set another new record having a perfect season, without a loss or a tie.

The coaches agreed that each player improved with every game and most importantly they worked together as a team.

The 1967 J.V. team set a record of 7-1 that has been broken in the last two consecutive seasons. It looks like the start of a dynasty.

Congratulations to coaches Mikolajczak and Lukowski and the 1969 Junior Varsity Generals.

Frosh. Go 4-2

The "Little Generals", not to be outdone by the other two football teams, set a new record posting the best season the Frosh have ever had. Mr. Hugh Matson and Mr. Meyers coached the team, which had the greatest number of players in the history of MacArthur. The team came through with four big wins and only two defeats. Although there were many individual standouts, the team played as a unit and kept the Freshman class bubbling with spirit.

Breithaupt Wins Two State Records

The swimming Generals finished the regular season with a record of 6 wins, and 8 losses. The team however did swim against the top teams in the state.

The General look forward to a more successful season next year because the team this year consisted of mostly underclassmen including 4 sophomores, and 4 juniors.

Seniors Steve Breithaupt, and Mike Giulioli along with help from Greg Busch built the team up as much as they could behind the skillful coaching of Mr. Musulin.

Steve Breithaupt took 2 first places at the state meet. He won the 50 yard Freestyle, and the 100 yard Freestyle. He was also involved in the relay that set a new state record at a dual meet at Saginaw High. Mike Giulioli, Mark Breithaupt, Jim Mumby were also members of the 200 yard medley relay.

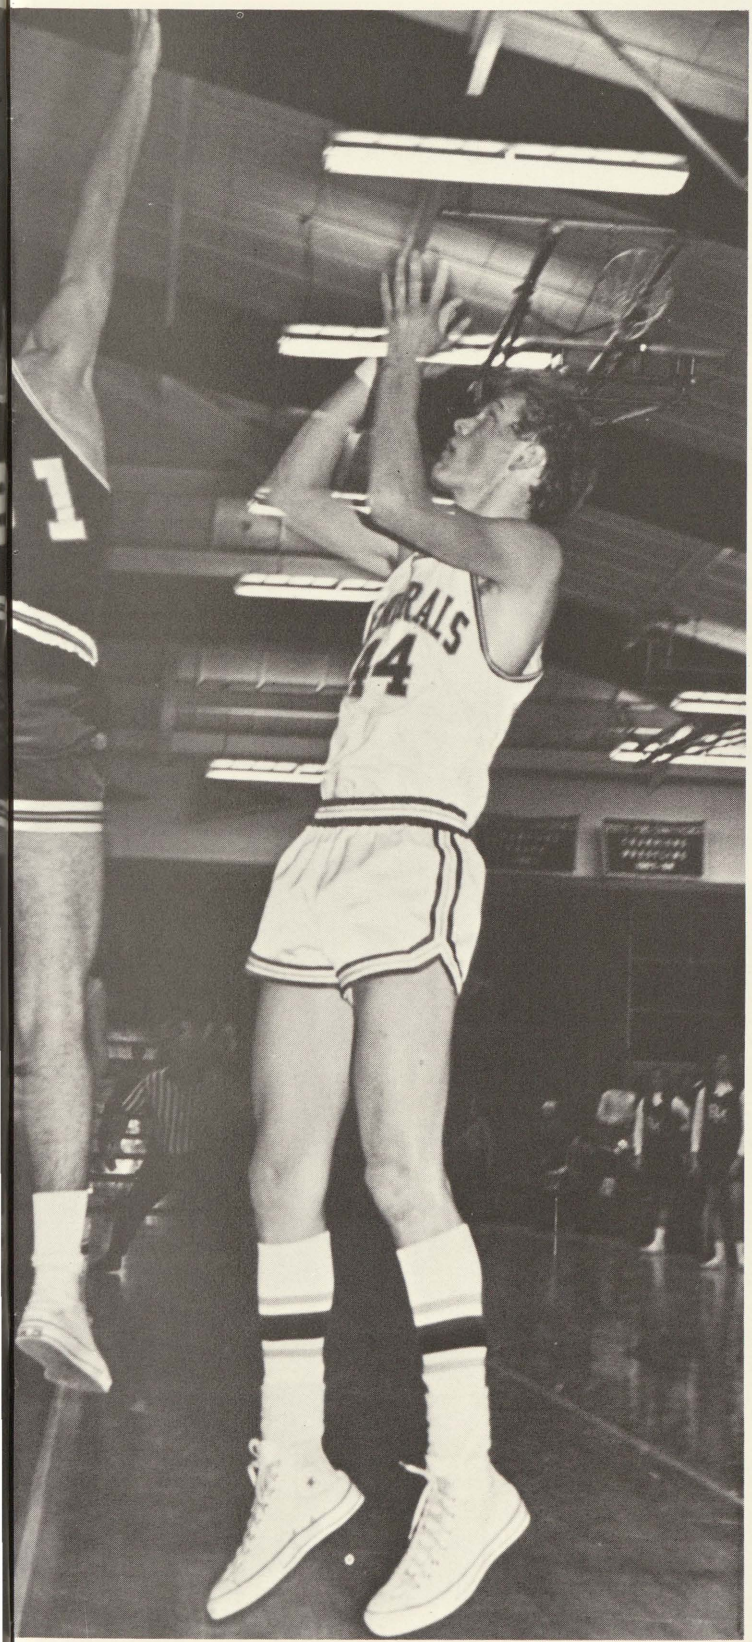
Clinch WPC—Best In DM History



Two more points are added by the leading scorer, Steve Lutenski, at a game with Midland.

With an impressive 13-3 record, Coach MacAuley's team ended the season first in the White Pine Conference. This is the first time in the history of MacArthur that the conference title was won by varsity basketball players.

Steve Lutenski, the team's main scorer, was considerably aided by Tom Blackney, Denny Driscoll, Cap Pohlman, and Kip Crevia. "Stive" totalled 459 points, giving him a striking 28.7 average.

The season started with a disappointing home loss to Flint Carmen. But the team went back and defeated the Cougars by a score of 69-57. Two later losses to Midland were the only other losses of the season.

A decisive victory over Buena Vista at the beginning of the season gave the Generals first place in the WPC. The second victory wrapped up the title. A big, non-conference rival, Arthur Hill, was also beaten twice.

This year the team will lose Steve Lutenski, Tom Blackney, Denny Driscoll, Cap Pohlman, Dave Weber, Gary Rousseau, Rick Sessions, and Ron Hayes. Looking forward to a good season next year are Kip Crevia, Bob Bomboske, Steve Ledtke, Bob Wickham, Pat Fettig, and Brad Howell.

Cross Country Records Broken

The Cross Country team did not post a very successful meet record in the '69 season. Although the team was not quite up to par, two Senior standouts broke records on the home course. At the start of the season the record was held by a past member of the Cross Country team. Rol Jersevic broke the record and set a new one, but the new record was broken again during the course of the season. Tom Tiderington holds the record now.

Juniors Work Hard Toward Prom

The Juniors were led to a successful year by Secretary, Louise DeCamp; Treasurer, Mark Brown; Vice-President, Diane Polasky, and President, Greg List.

The class worked hard on money-making projects, such as a soap sale, tupperware sale, and a successful dance to give the Seniors a good prom.

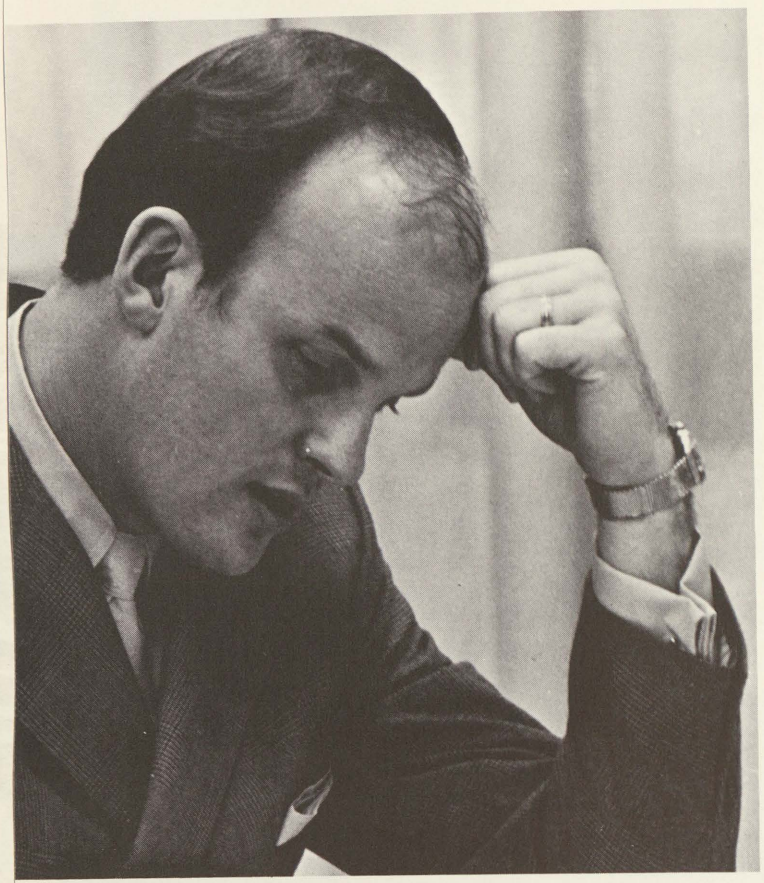
Academics and Staff



Mr. Doane–Assistant Principal.

Reflections of a Job Well Done

"As I finish my seventh year at MacArthur it is time to reflect on those seven years. When I came to MacArthur in 1963, my position was just a job; a role that I was hired to fill. Possibly I looked upon that job as a stopping place on my way up.

Very soon MacArthur High School was my life. I became more involved with the students, staff and parents. As the love affair grew, so did the necessity to stay on and help the school grow.

To help the general school attitude grow I accepted the cheerleading job (Chief of Spirit) and discovered a totally new dimension to school life.

And now seven years have passed. Perhaps I have overstayed my welcome but the time seems to have come to retire as "Chief of Spirit" and move on. Not up, but on."

Doug Doane, Assistant Principal

"We Are Proud Of Our Students . . ."

This has been an outstanding year for Douglas MacArthur High School. Our students have brought honor to our school and credit to themselves through their varied endeavors.

We are proud of our students who are members of the National Honor Society. Our Athletic teams have had a successful year. Our music and art students have gained recognition. We are proud of those who are involved in school and community service. The Anti-Pollution Committee has, we feel, helped focus national attention on a very serious problem. Achievements such as these can be accomplished only by students who feel concern for others, have high moral values, self-discipline, and maintain standards of excellance.

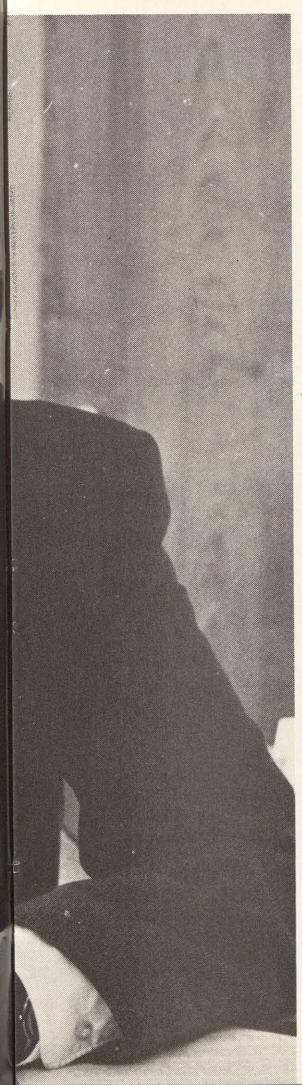
We have 2050 students on campus this year. It is necessary to be on a staggered schedule to relieve our overcrowded facilities until the new Eisenhower High School is completed. In spite of overcrowding, our dedicated, capable staff works to provide the best for the students at Douglas MacArthur High School and are continually reviewing the curriculum and making changes when necessary to meet students needs.

Oscar B. Huyghe, Principal

Mr. Hughe–Principal.

BOARD OF EDUCATION: Ronald Woods, Treasurer; John Lucas, Vice-President; George Olson, President; Fred Clark, Trustee; Virginia Johnson, Secretary; Warren Breithaupt, Trustee; David Lippert, Trustee.

Itella Tells the Story



The experiences of the past four years, the lessons, new instructors, athletic contests, dances, tests, and Commencement have gone rather rapidly for the Class of 1970.

This yearbook attempts to record some of these events and experiences of the past year.

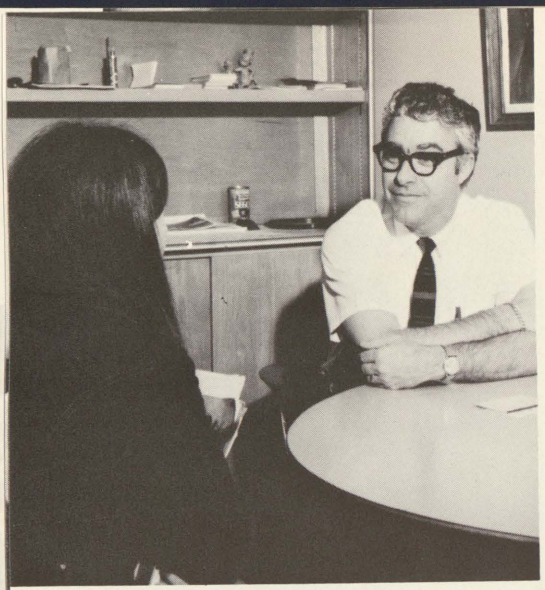
Your high school annual will become one of your most treasured books and will become even more meaningful as the years go by.

We have been taught, and rightly so, that one should look and move forward, yet there is a time when it is pleasant to steal a minute and sit down with your yearbook and just recall those wonderful school days and friends you have left behind.

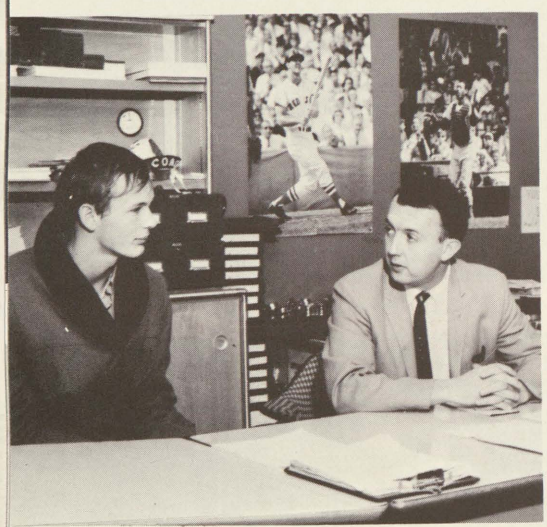
Perhaps during this time a spark may set afire that bit of determination that was stilled a time ago and once more provide the impetus that moves us again to reach for that goal that was visualized in the past.

Dan McConnell
Superintendent of Schools

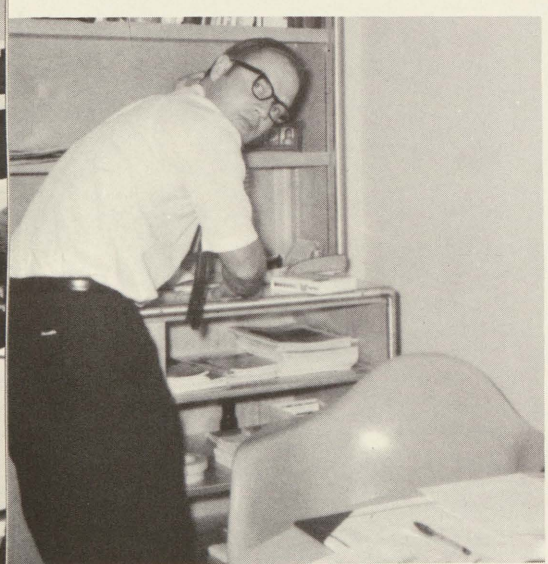
Mr. Dan McConnell: Superintendent of Schools



Mr. Spaulding, West Hall Coordinator.



Mr. Brown, Electives Coordinator.



Mr. Matson, East Hall Coordinator.

Mr. Spaulding acquaints his new secretary Mrs. Smith with the daily routine.

Fearless House

Mr. Russell Spaulding is house coordinator of West Hall and acts as disciplinarian to freshman and sophomore students. Students consider him a person that they can get help from with their problems. Mr. Spaulding always seems to be in good humor, even though his work proves to be trying at times. He is considered a friend to all.

Mr. Bill Matson is head of East Hall and supervises the Junior and Senior students. He is also head of the Ski Club that is over 100 strong. Mr. Matson helped with preparations for the Senior Party. This year the Seniors raised money by selling Amway Products.

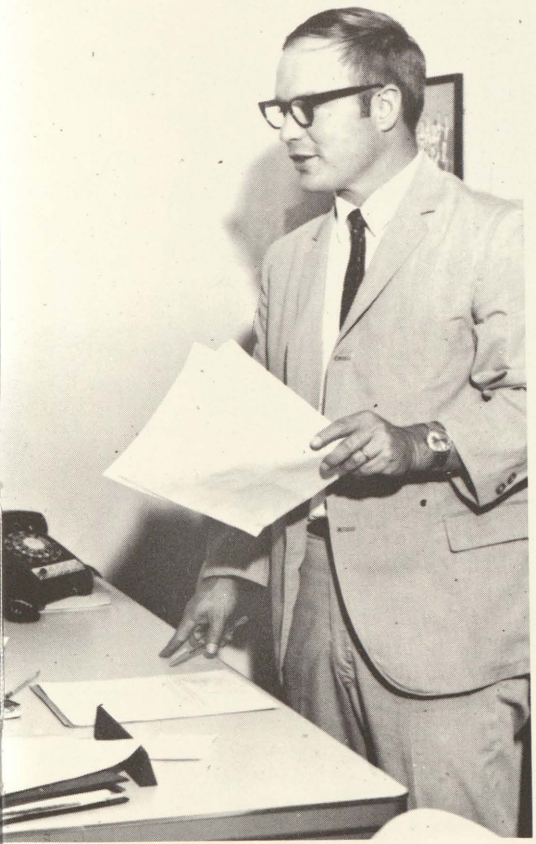
Mr. Matson discusses the absentee list with his secretary Mrs. Heasty.

Mr. Terry Brown is House Coordinator of Electives and the Auditorium. This year he took care of all the Juniors and was in charge of student's activities.

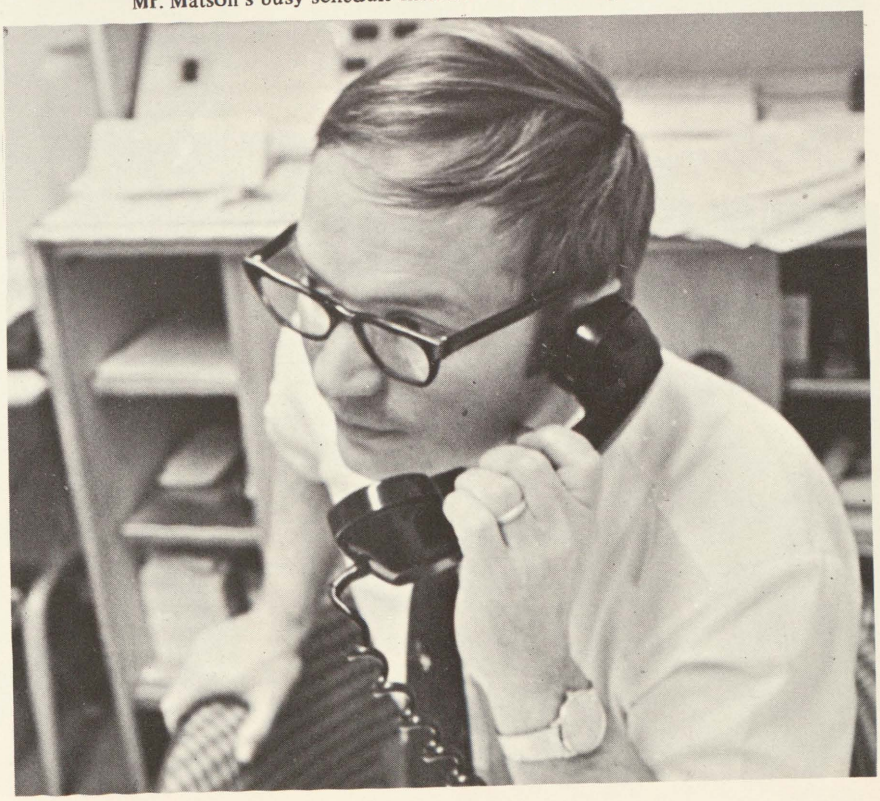
A comment from Mr. Brown expresses a sorrow to see this year's Senior class graduate because he was closer to them than any other class.

Mr. Brown prepares himself for another day.

Coordinators' Job Never Ends



Mr. Matson's busy schedule includes a number of phone calls.

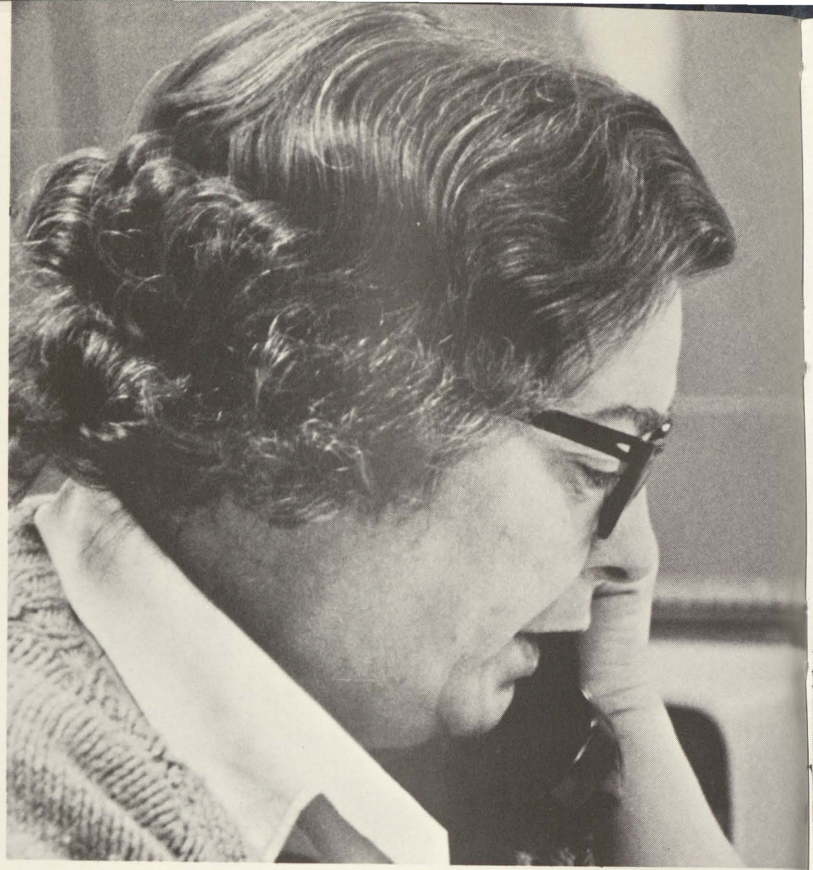


Mrs. Wickham talks on the phone concerning 2 troublesome students.

Main Office Shows Co-Ordination Plus

The secretaries in the Douglas MacArthur main office have done a tremendous job again this year. With work piled sky high on their desks, they still managed to find time to answer the phone, make announcements and help out students requesting information and articles at the front desk. A big thanks goes out to our secretaries from the faculty and students at Douglas MacArthur.

Mrs. Wayman concentrating hard on her work.



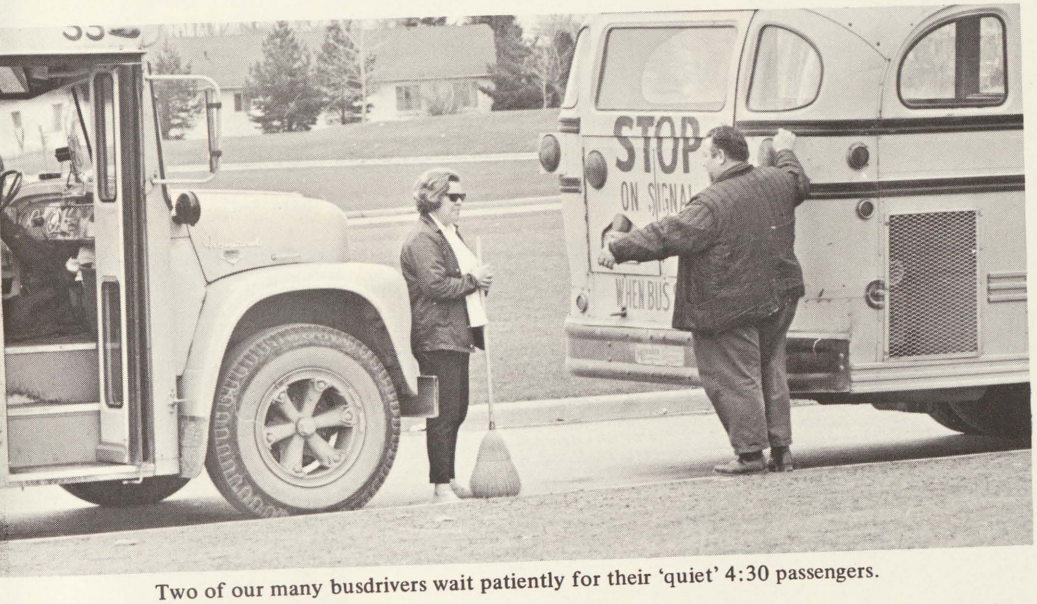
"Hello Standard Wrecking Service, we have another car illegally parked, the license number is CMW 053," says Mrs. Anderson.

Mrs. Meyers tries to get her work done before the end of the day.

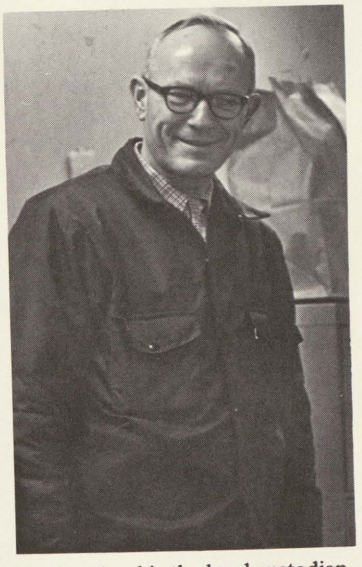
Important Roles Played at D.M.H.S.

Custodians, cooks, and bus drivers play an important role in everyday school life. Throughout the school year at Douglas MacArthur High School the students have depended a great deal upon these people. Their many services are not only needed but vastly appreciated by faculty and students alike. Many thanks goes to Charlie, our parking lot attendant, who kept order and prevented vandalism to students cars. So to all the cooks, custodians, bus drivers, and Charlie, we give our many thanks.

Mary Likan, Anne McPherson, Betty Clause, Bob Borchard, Ann Golz, Dorthy McAllister, Yvonne Gamble.

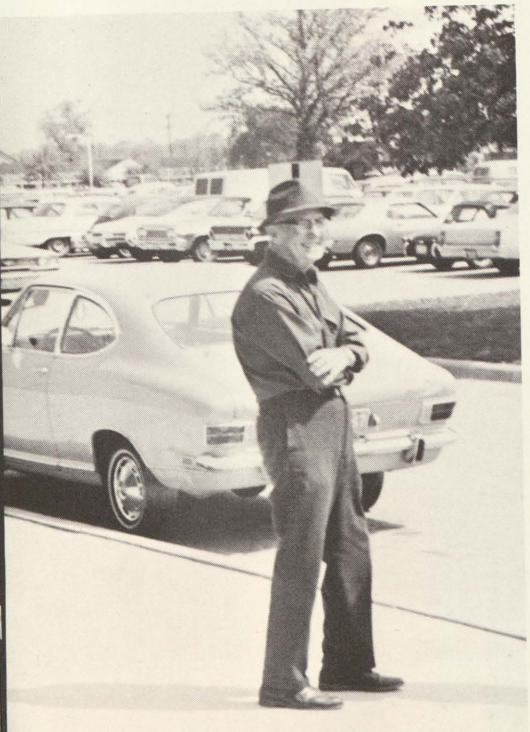


Two of our many busdrivers wait patiently for their 'quiet' 4:30 passengers.



Mr. Borchard is the head custodian.

Charlie: "Best Friend To All"

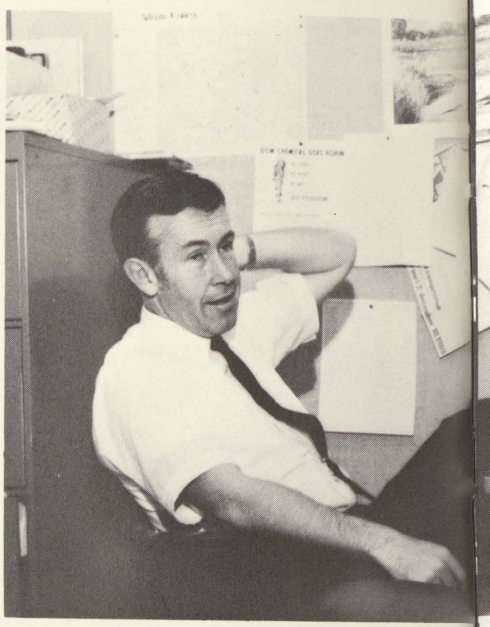


One of our custodians clears the path to make movement easier.

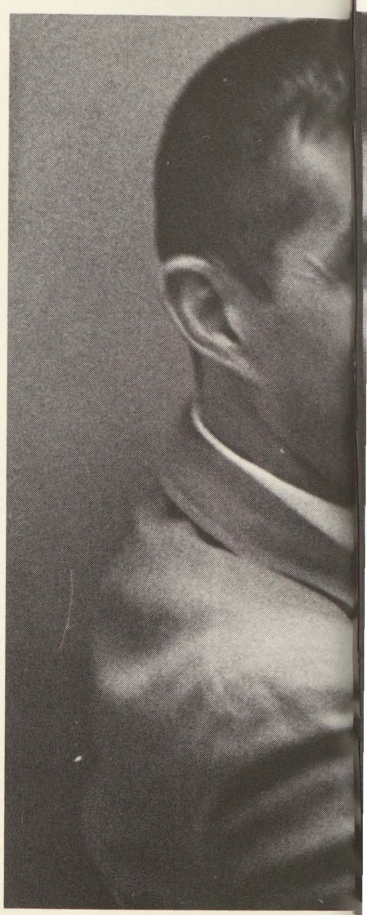
Counselors Guide Us in

From the day we entered MacArthur as confused freshmen until the day we left as hopeful seniors our counselors played an important role in our school life. This year there were six counselors at MacArthur. Mr. Seeley and Mr. Fry advised the seniors on their choice of college. With help from Mrs. Dietiker they also worked with the juniors. Tenth graders were counseled by Mr. Mikolajozak and Mrs. Dietiker which left the freshmen for Mr. Wells. Mr. Zittel was the helpful adviser for special education students.

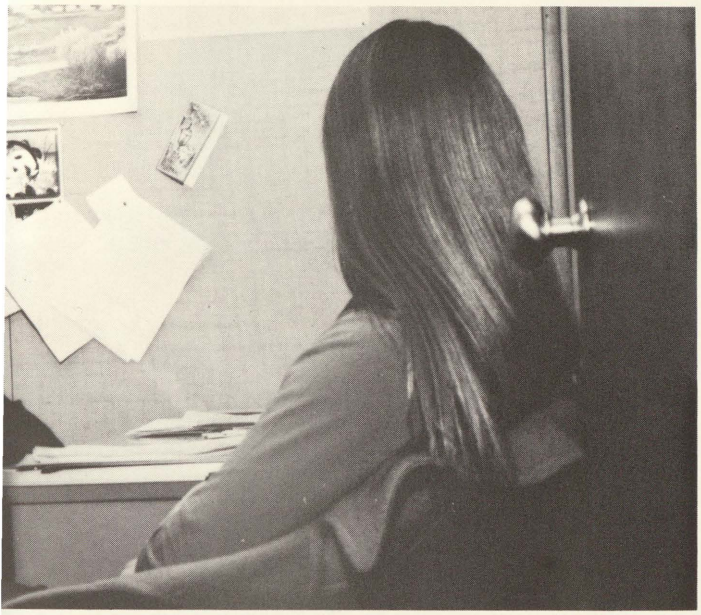
Mrs. Frey, busy as usual, assists the counselors in their work.



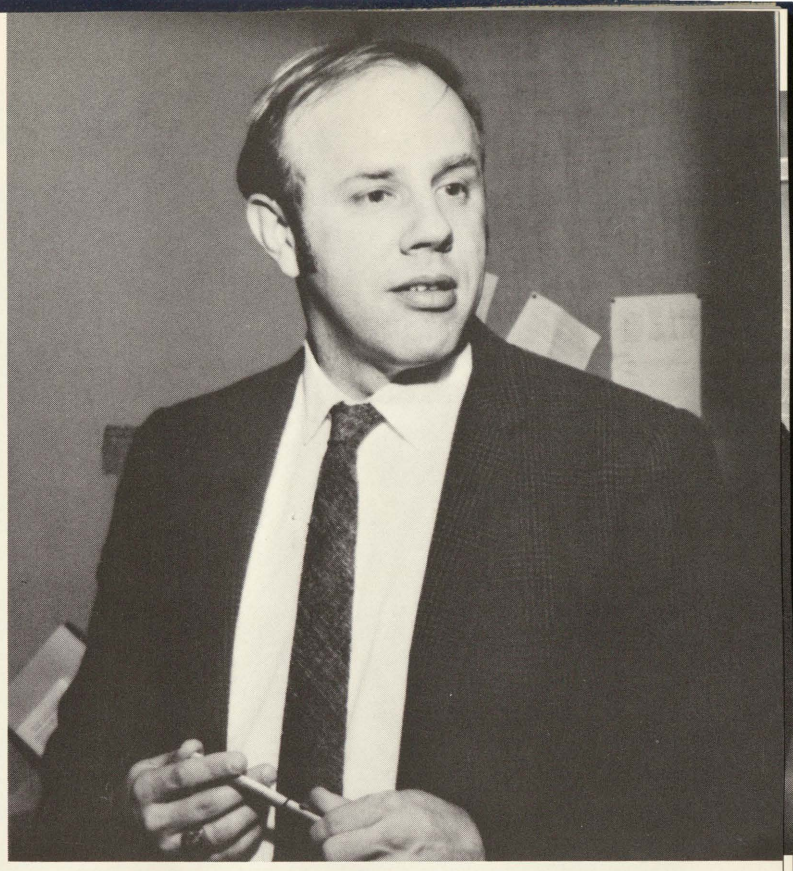
Mr. Zittel and Mr. Mike are discussing test scores.



the Game of Learning



In Mr. Seeley's office many problems are solved.



Mr. Wells sets up an appointment for a frustrated freshman.

Mr. Fry's inviting smile greets a new student.

Mrs. Dietiker helps solve a schedule problem for a confused student.

English Department Strives

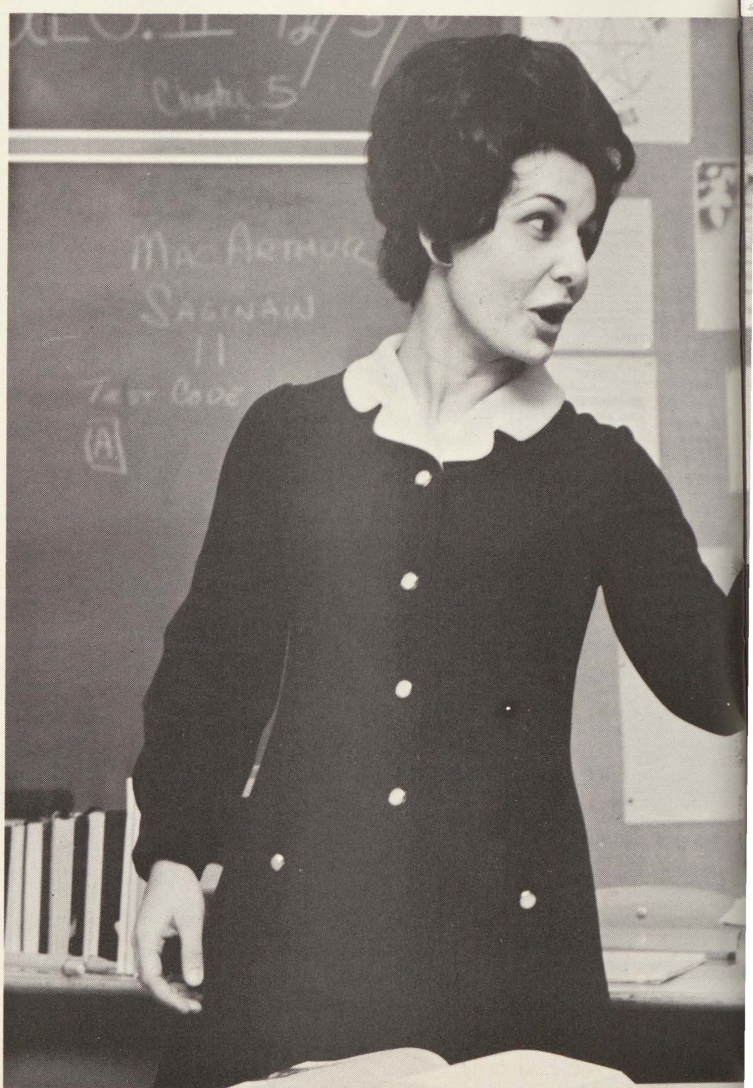
Miss Hall is caught in a moment of inspiration.

Phase English, now in its third year, is proving to be quite successful. Ninth and tenth grade students are able to learn at their own level. They are divided into different groups according to their ability. Advancement to a higher phase is highly possible.

Phase English has become a permanent and successful part of the English program at MacArthur.

Mrs. Furgason finds her students speech amusing.

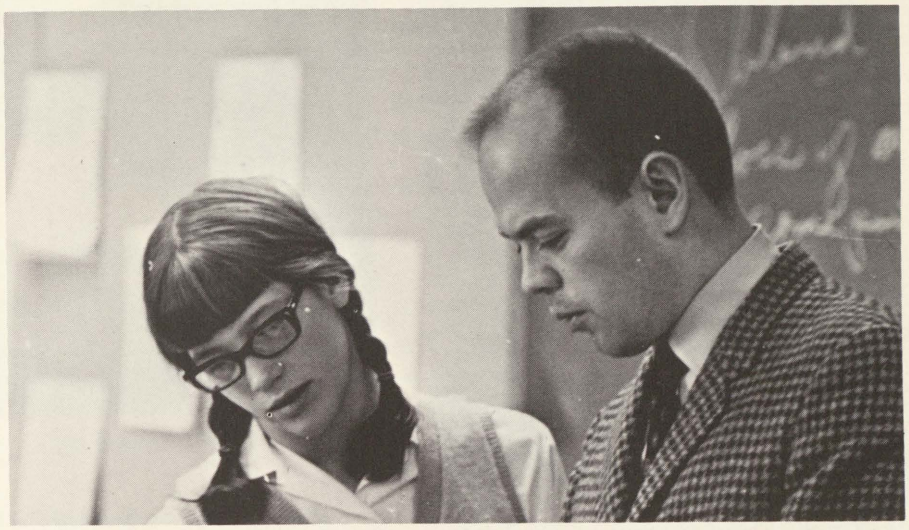
Miss Eagan and Mr. Rosson discuss similar topics of interest.



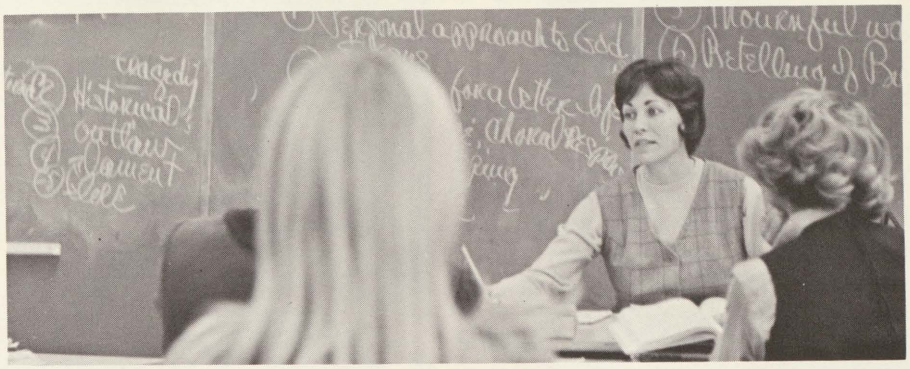
"Don't you dare," says Miss Busaid.

to Meet Student Needs

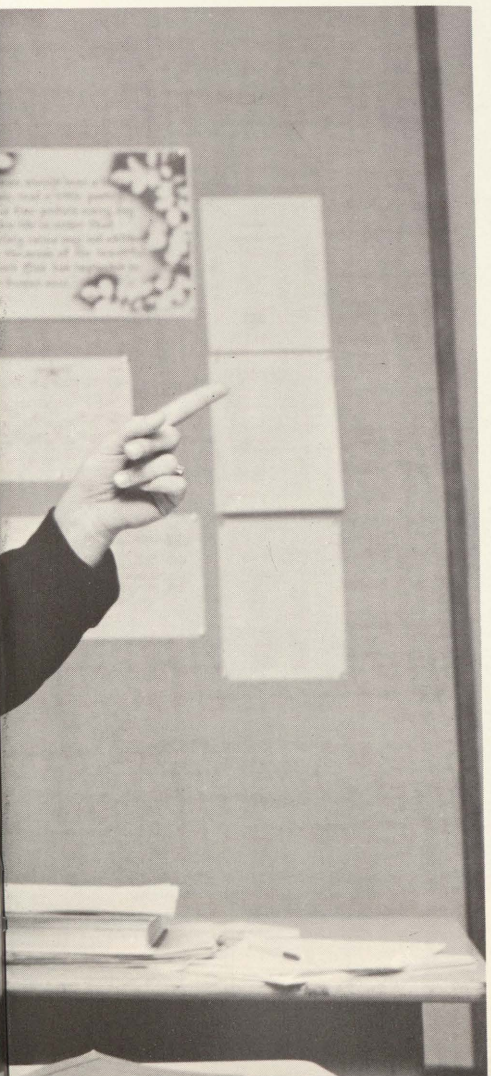
Miss Martineau joins the staff of English teachers.



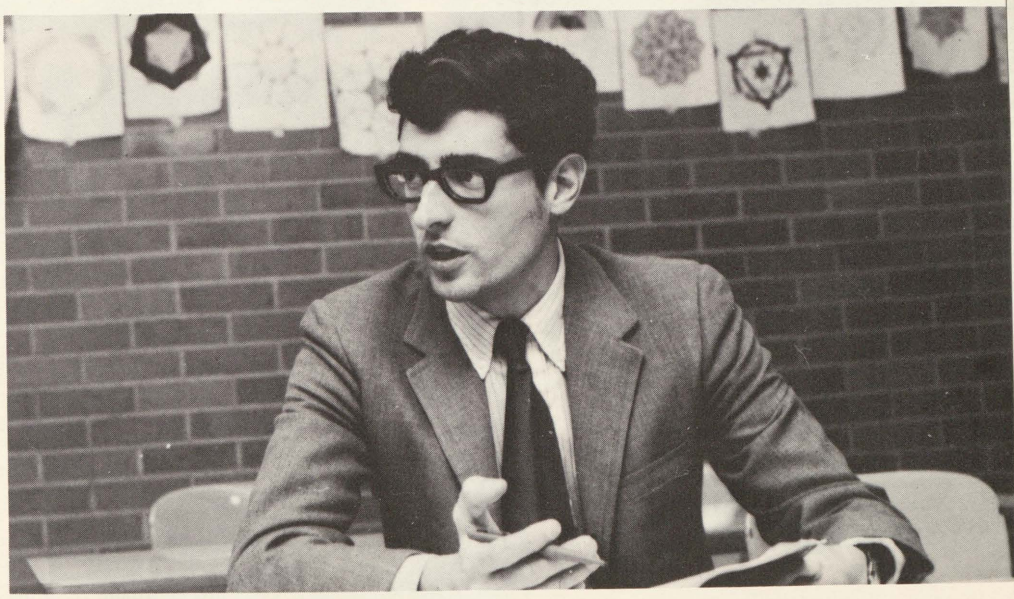
Hugh Matson helps a student solve a problem.



Listening to a students answer, Mrs. Fry finds it hard to believe.



Mr. Barris, English Department head expresses his feelings about co-operating.

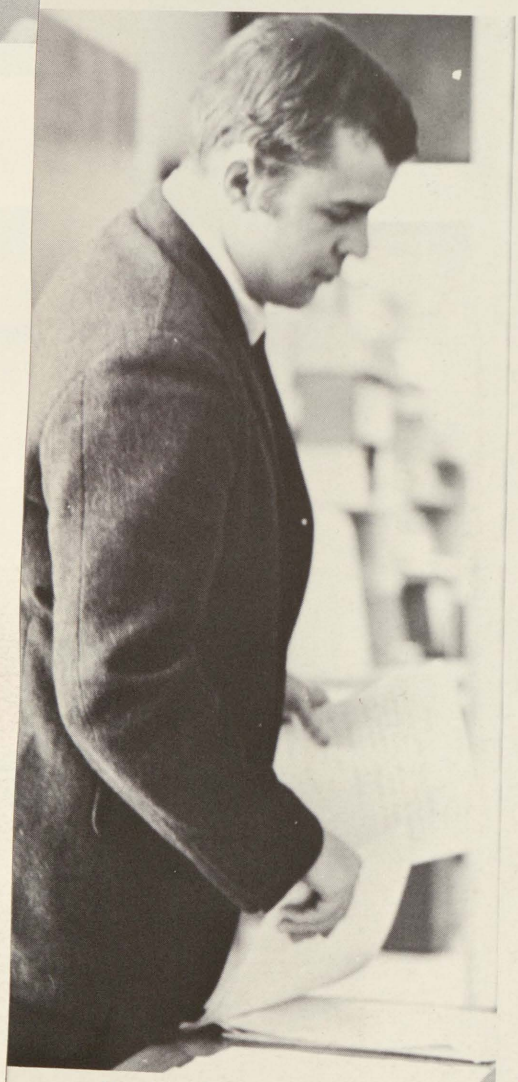


Varied English Courses Offered

Contemporary American Literature, English Literature, American Literature, English Composition, and Individual English are still being offered to students of the Junior and Senior classes.

Mrs. Osborne is a new addition to the English Department.

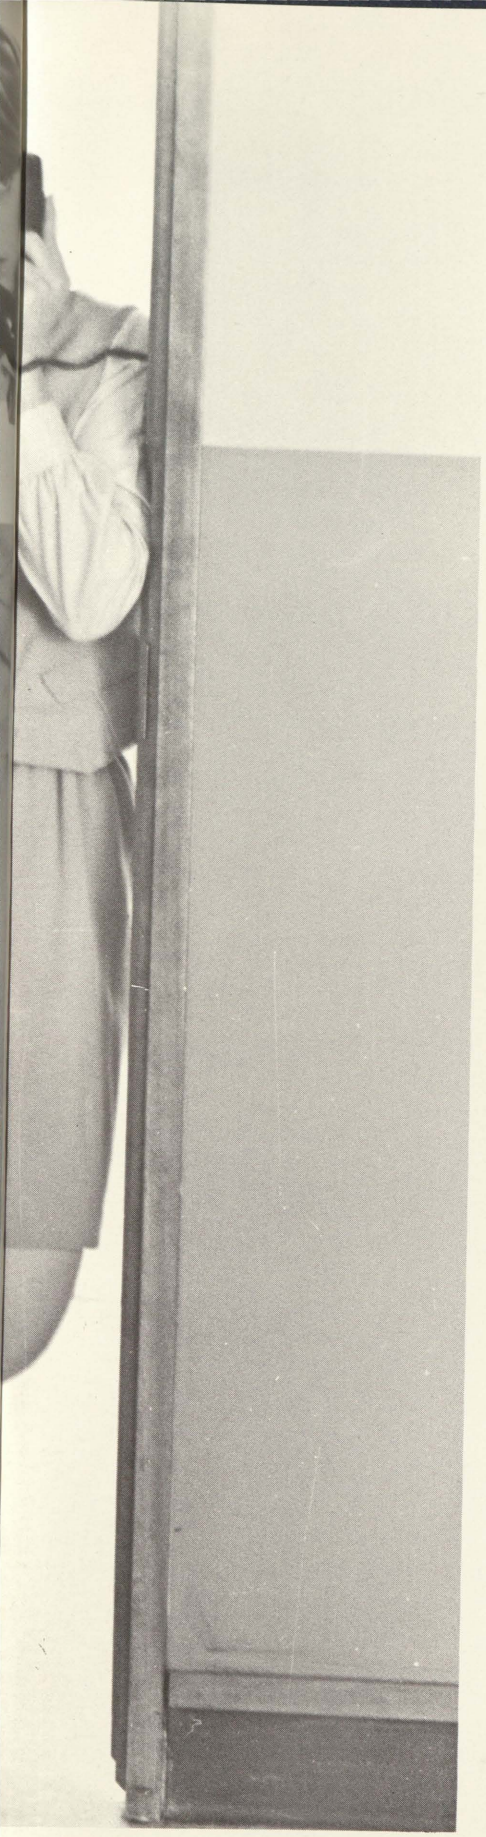
Mrs. Barney prepares for class.



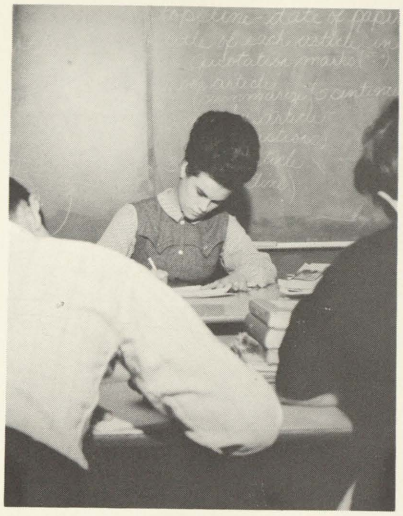
Mr. Meyer finds something interesting.

Mr. Doane: Individual English.

Miss Clements listens impatiently

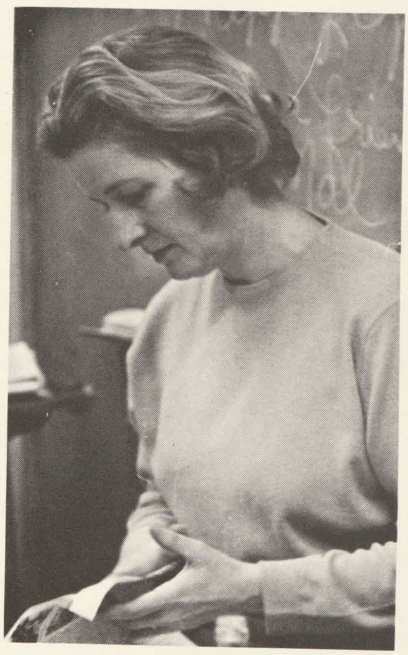


to a busy signal.



Mrs. Hanson: Phase English.

Mrs. LaPlante solemnly reads.

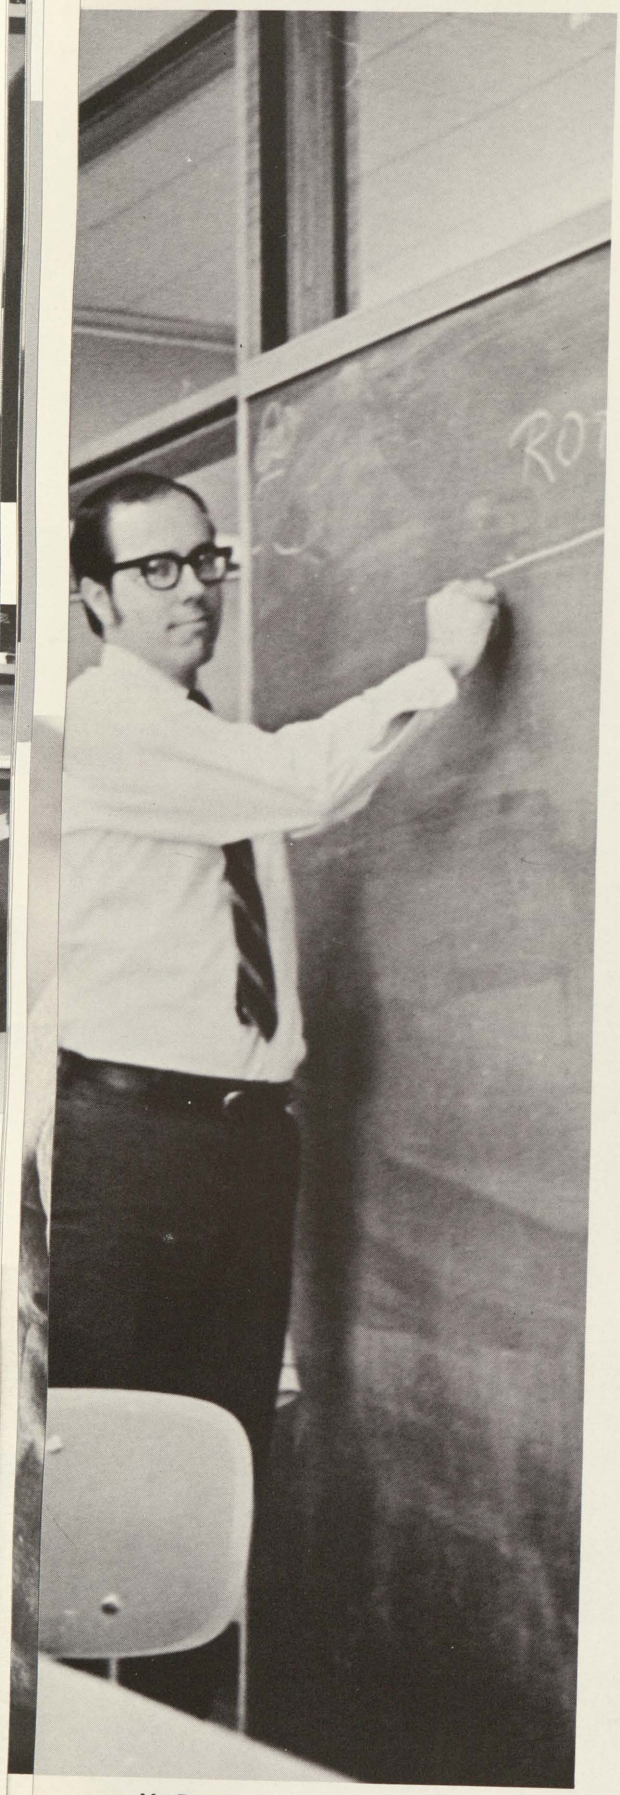


Mrs. Hoppe returns to MacArthur.

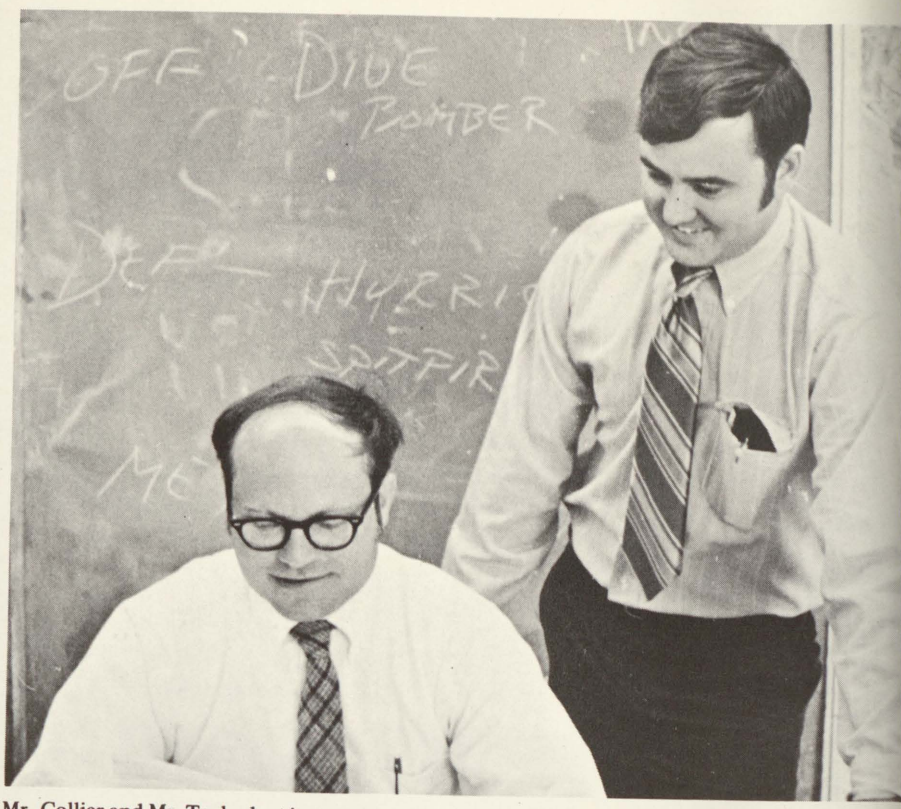
Miss Olsen glances up for the photographers.

Miss Boomer gathers papers for correction.

Mrs. Hunter lectures on English History.



Mr. Douglas starts his class on an outline concerning the ROTC.



Mr. Collier and Mr. Teal select interesting topics for the students of Social Studies I to study.

Current Events Are of the Social

Today's problems were what students talked about in the social sciences department. Students, as well as teachers, were increasingly concerned while they listened to other's views.

Seniors, in their American Government classes, discussed Nixon's Administration including the newly proposed draft lottery.

Underclassmen considered such topics as drugs, Black America, campus problems, and crime in the streets.

Psych-Soc and International Relations classes help to increase the social understandings of Seniors. Mental illness, family, marriage, and the different kinds of people were among some of the areas discussed.

Social science is one of the most important fields to explore in today's society and, in every way, students are becoming more actively involved. It broadens their understanding making their social life more rewarding.

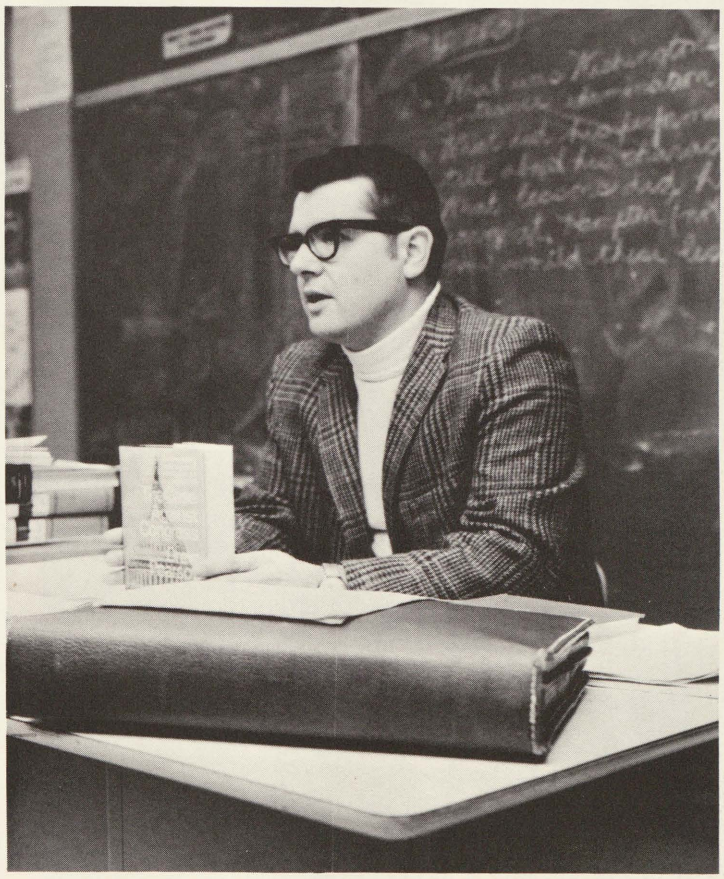
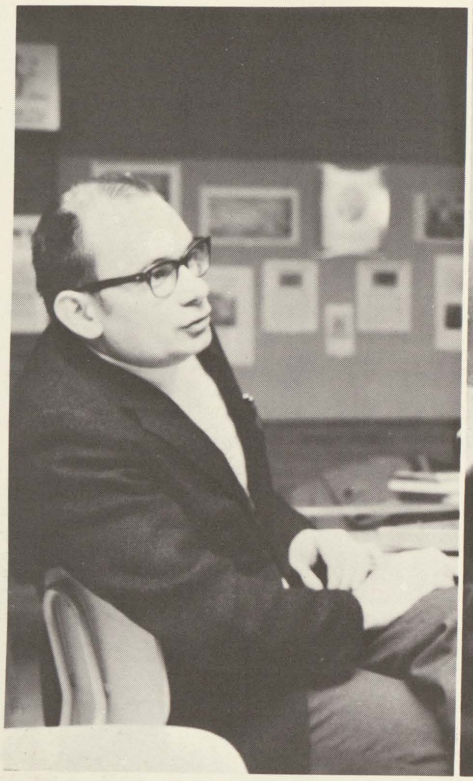
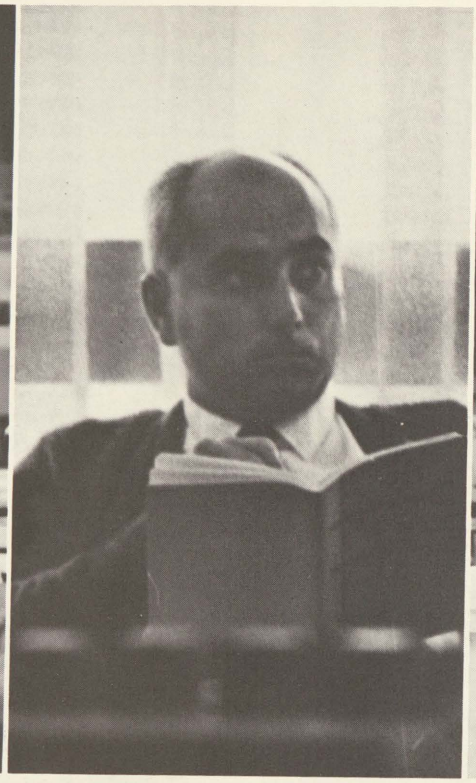
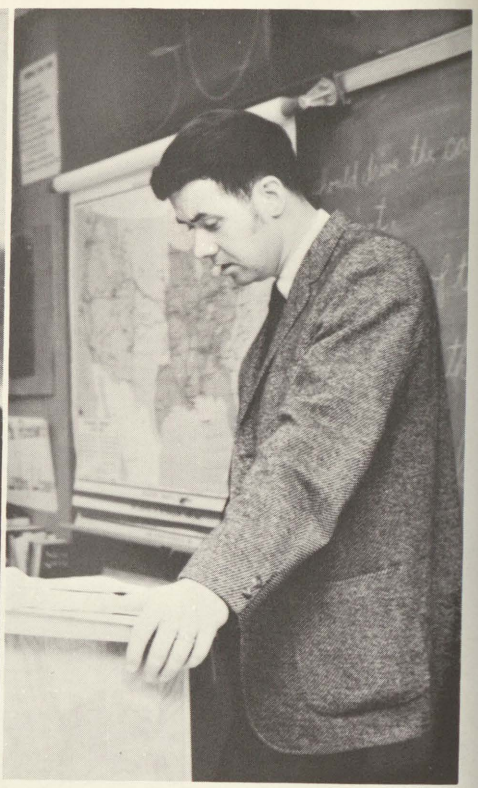
Mr. Mike, Psych-Soc; talk about some of the ideas students bring



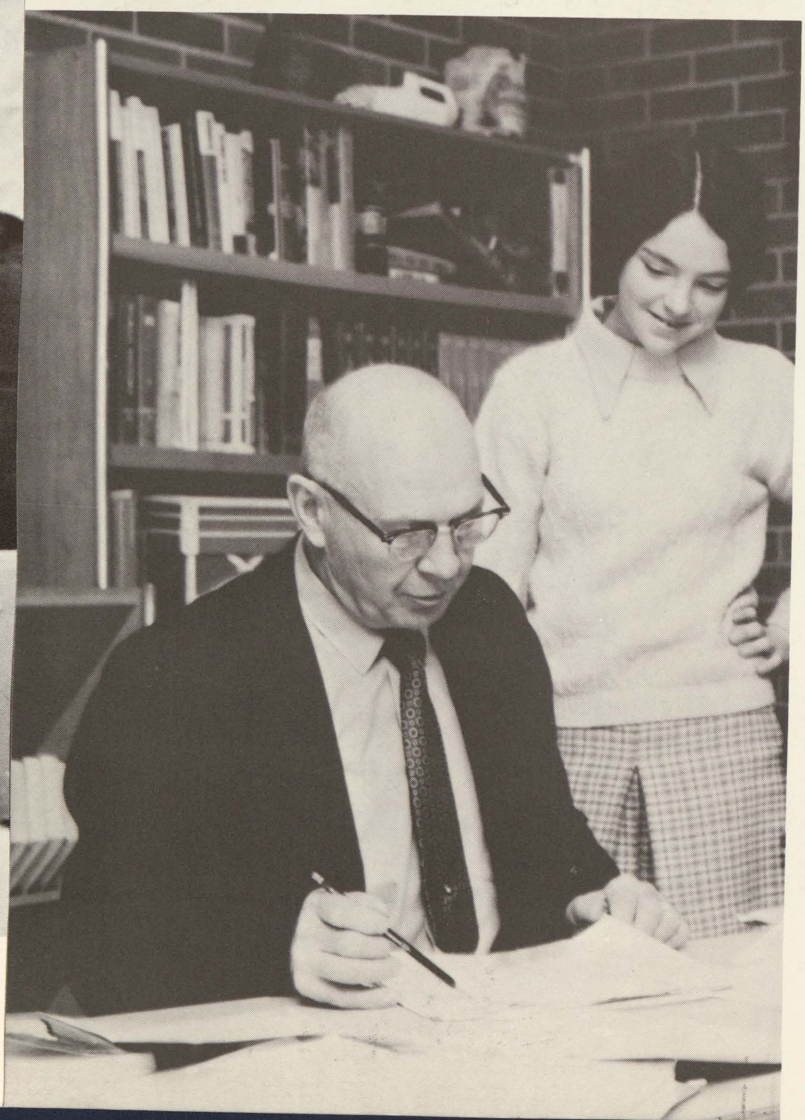
Being new this year, Mr. Stanuszek tries to do his best at teaching Am. Gov't.

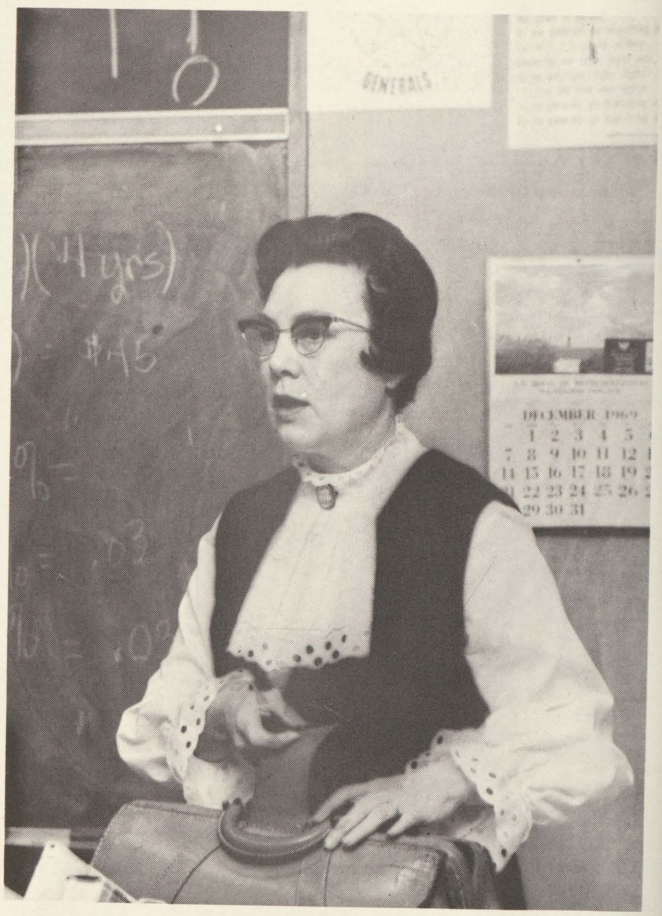






Mr. Such, Mr. Dubay, and Mr. Anderson lead juniors through American History classes.

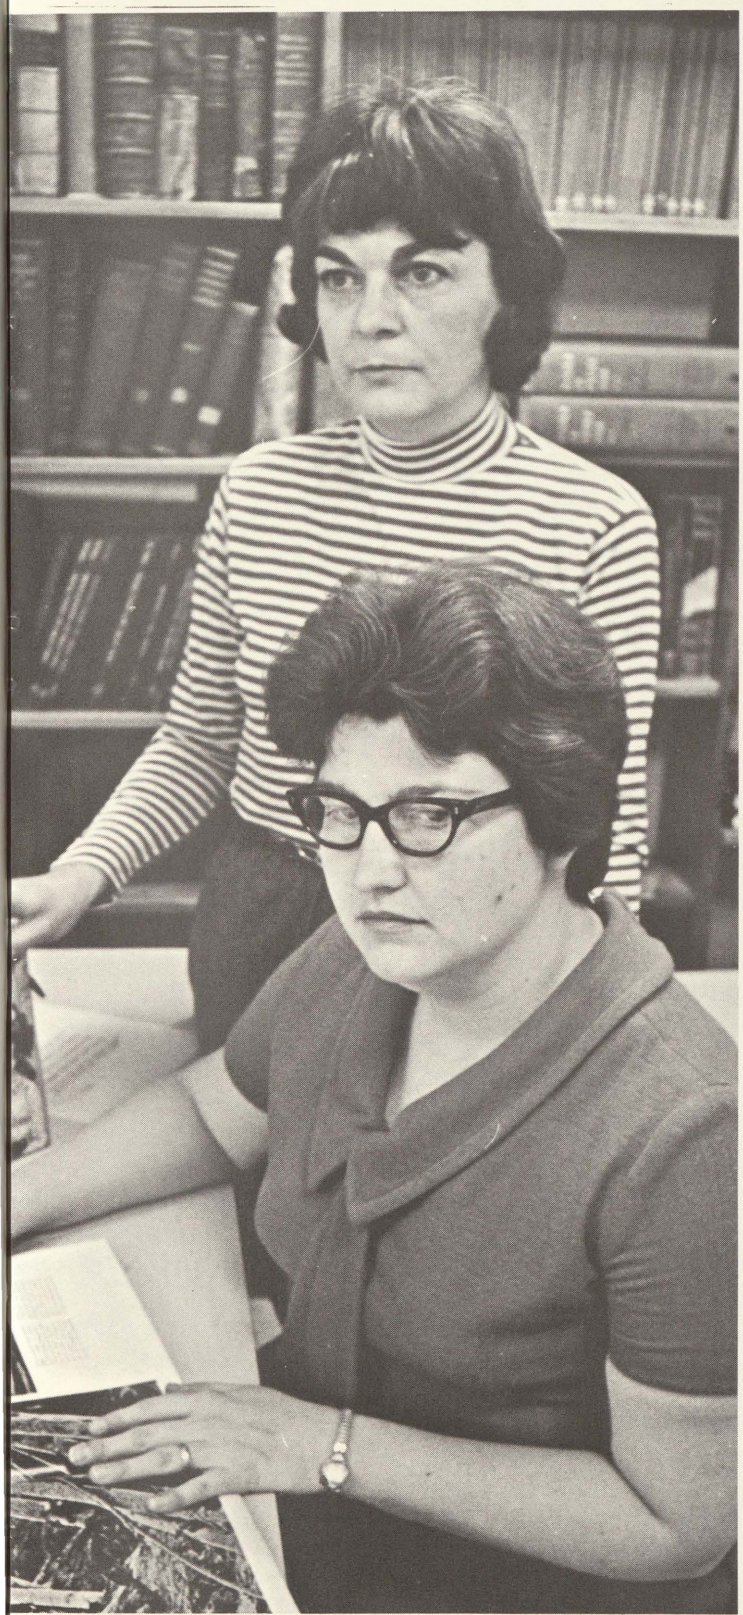




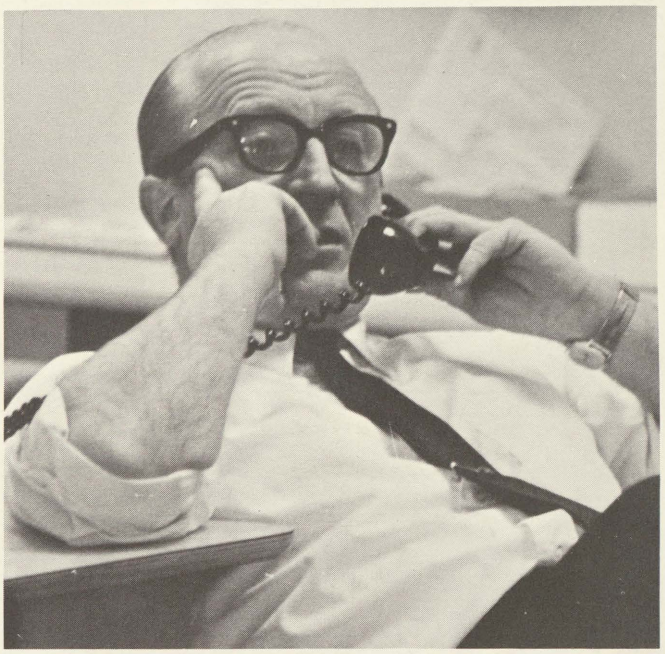
Mrs. Shreve never ceases to be amazed at the actions of her students.

Mr. Weaver shows Trish MacDonald her test.

The Game of Knowledge Starts Here

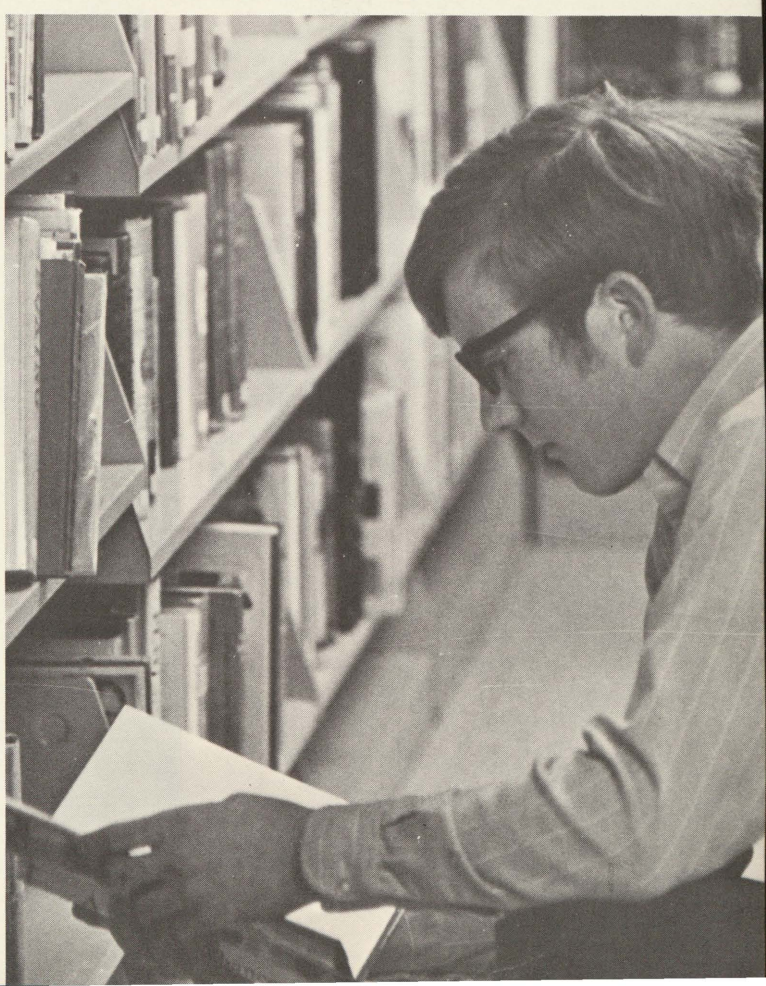


Mrs. Wilder and Mrs. Hinkin take their job seriously.

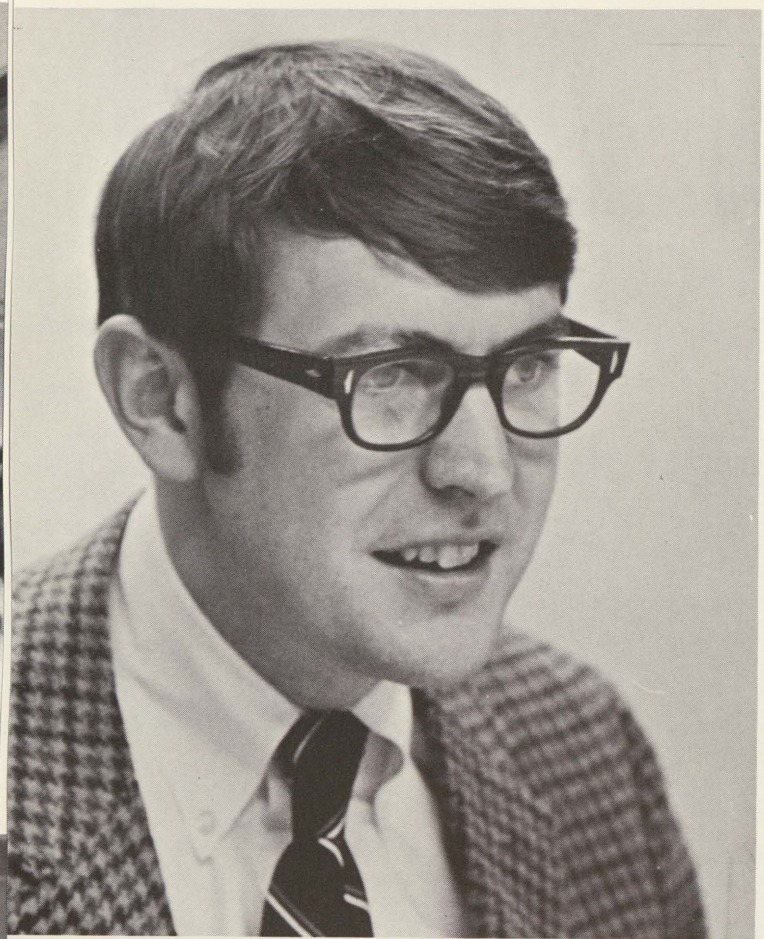


Mr. O'Dell, caught by the camera.

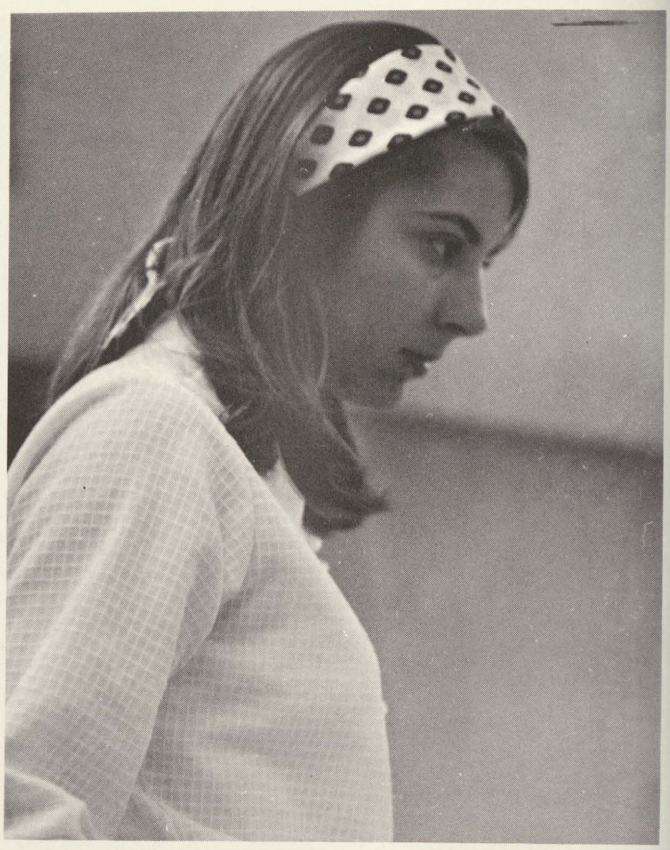
Perce Reeve knows where to look!



Miss Van Ochten

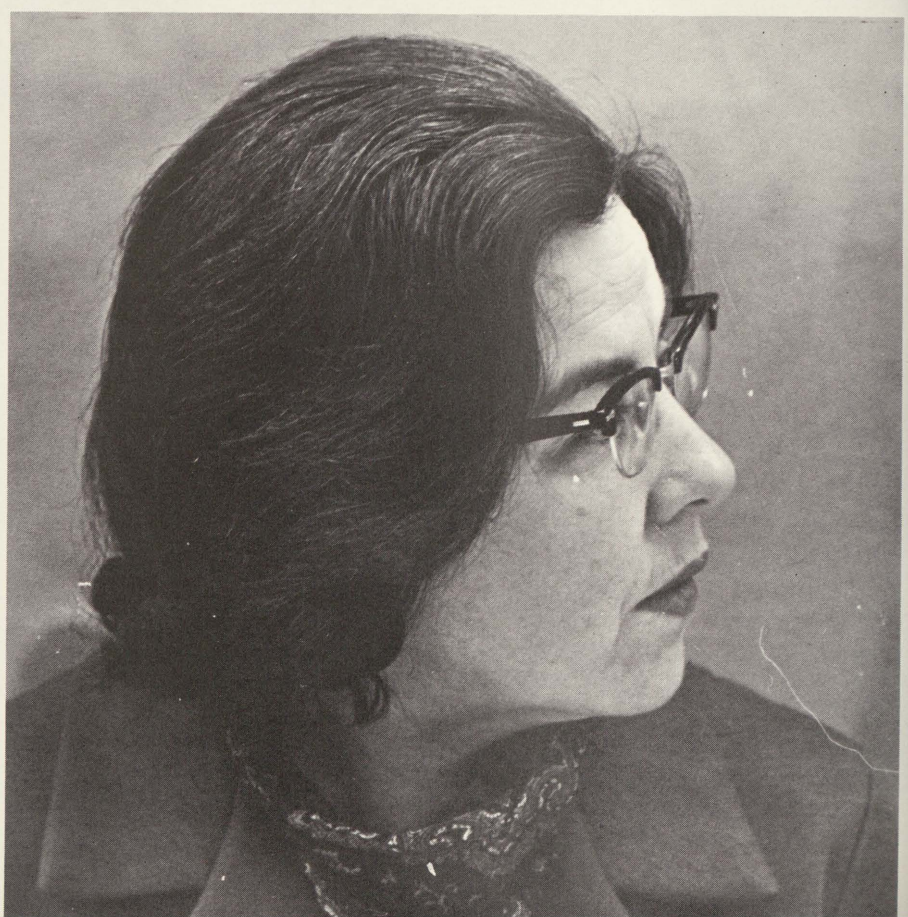


Mr. Stahl looks in awe at the German play performed by his German II students.

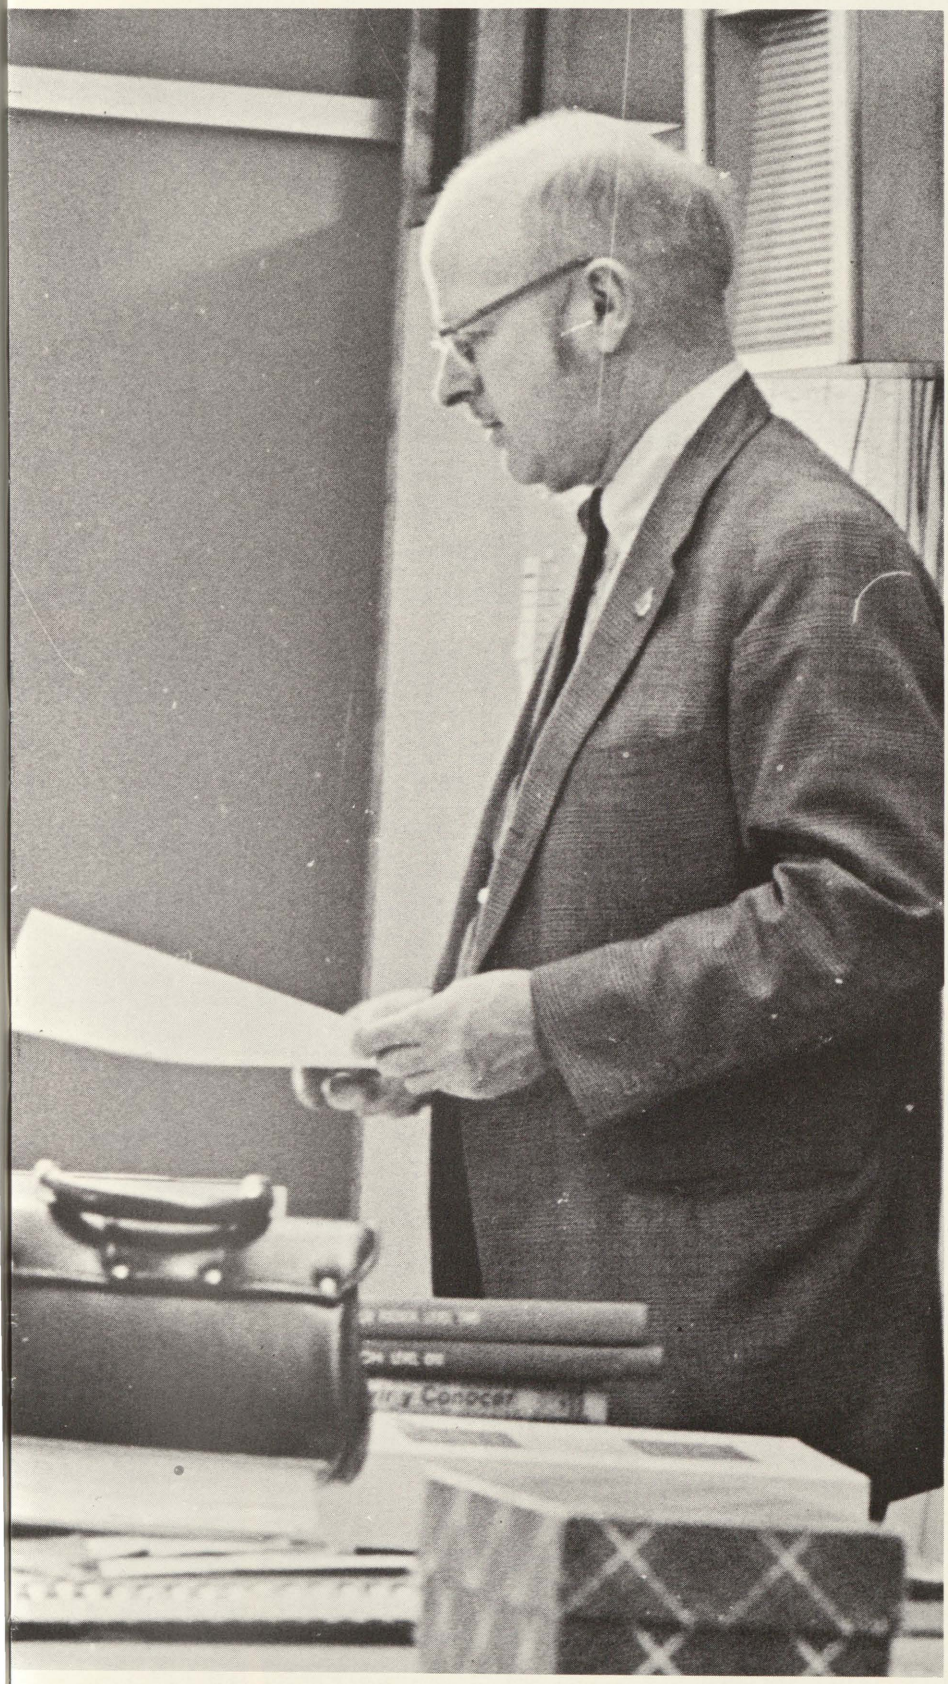


Miss Van Ochten drills Spanish I students.

Once again Mrs. Stoner catches two of her French students speaking English.



Joins Foreign Language Department



Mr. Ruonavarra prepares to give an oral Spanish test.

This year the foreign language department has been revised through the use of new, challenging books and also a new teacher. Miss VanOchten, formerly in the Peace Corps stationed in Costa Rica, teaches Spanish.

Other teachers returning from last year are, Mrs. Leib and Mr. Stahl, German; Mrs. Stoner, Latin and French; and Mr. Ruonavarra, department head, Spanish.

During Easter vacation a trip to Paris was planned by the French club. All those who had French II were eligible to go.

Mrs. Leib helps one of her German Students with the German workbook.

Science Department's Main Goal: Awareness and Interpretation Of Facts Observed

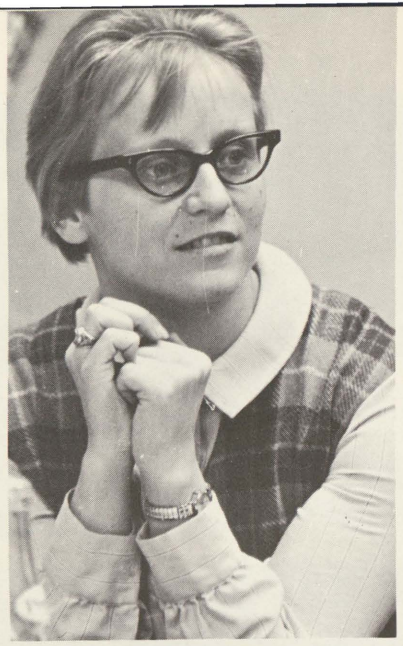
The many different courses offered in the Science Department include Physical Science, Biology I and II, Chemistry I and II and Physics I and II.

Physical Science is an introductory course designed to acquaint students with experimentation procedures. One also learns to know his tools and how to use them.

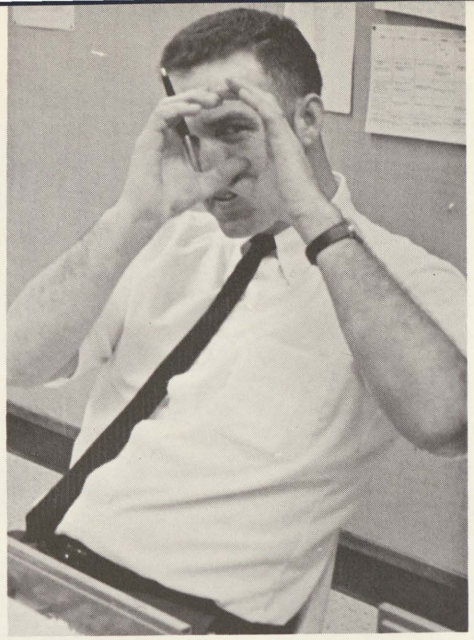
Biology I and II are designed for ones own advantages, while Chemistry I and II students learn concepts and principles of Chemistry, acquired through laboratory observation.

Physics I and II students are taught to become more aware and intrepret the facts that they have observed.

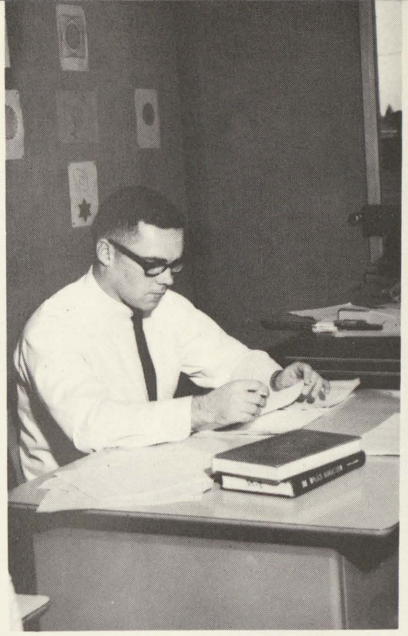
Mr. Stocker, Miss Olsen, Mr. Simpson, Mr. Miller, Mr. Giddings, Mr. Stoner, Mr. Williams, Mr. Emerick, Mrs. Schultz, and Miss Tate.



It's a good day for Miss Briggs.



Mr. Morgan tries his hand at a shot.



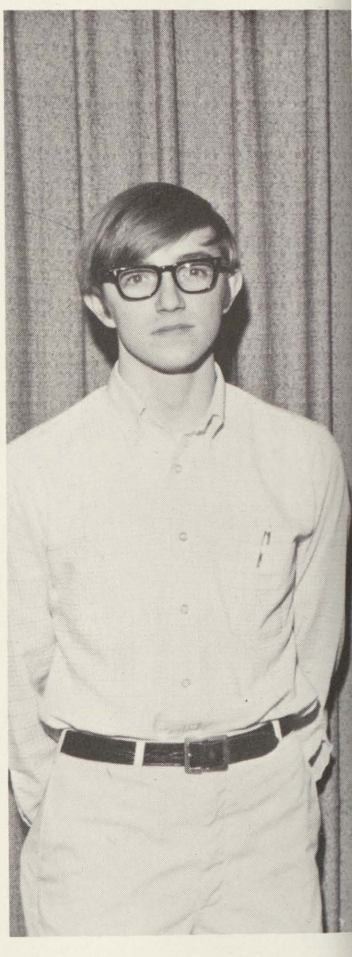
Mr. Karl gets involved in a student's problem.

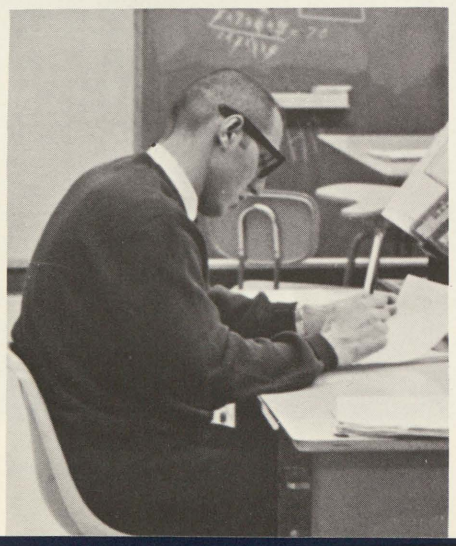
Math Department Solves

The photographer catches Mr. Allington in a gay mood.

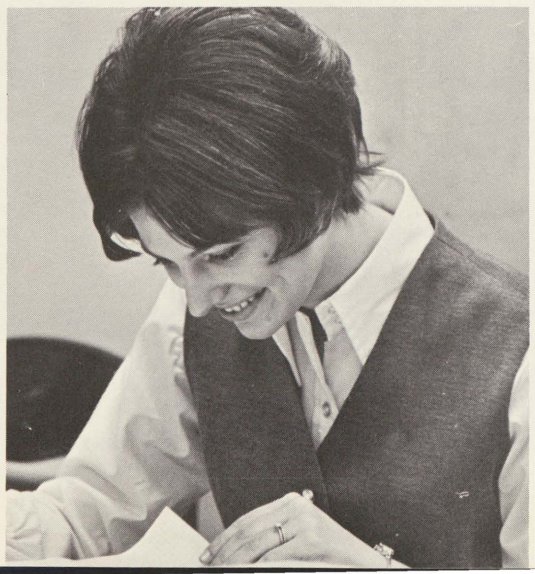
Mr. McAuley tries to understand what a student did wrong.

Mr. Garn, glad to hear questions, answers one.





Something strikes Mrs. Bueche funny!



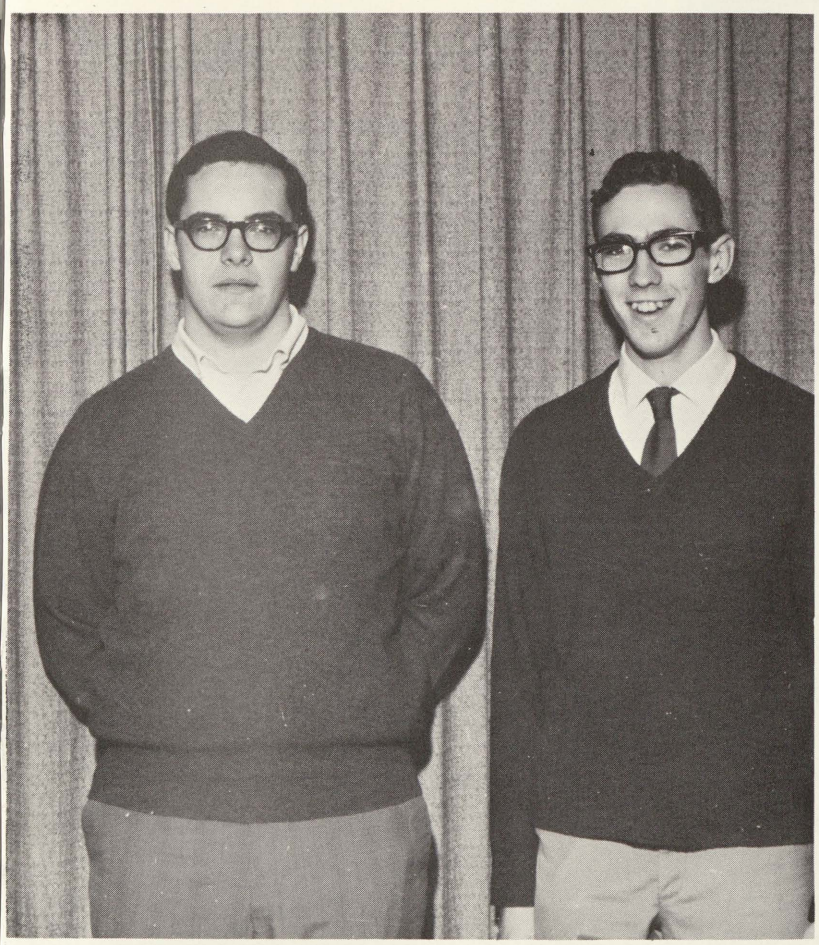
Mr. Koeltzow, department head, enjoys some of his students' comments.

With Mr. Koeltzow as head, the Math Department includes ten teachers. Mrs. Bueche is our new teacher for this year, teaching Algebra I and Algebra II.

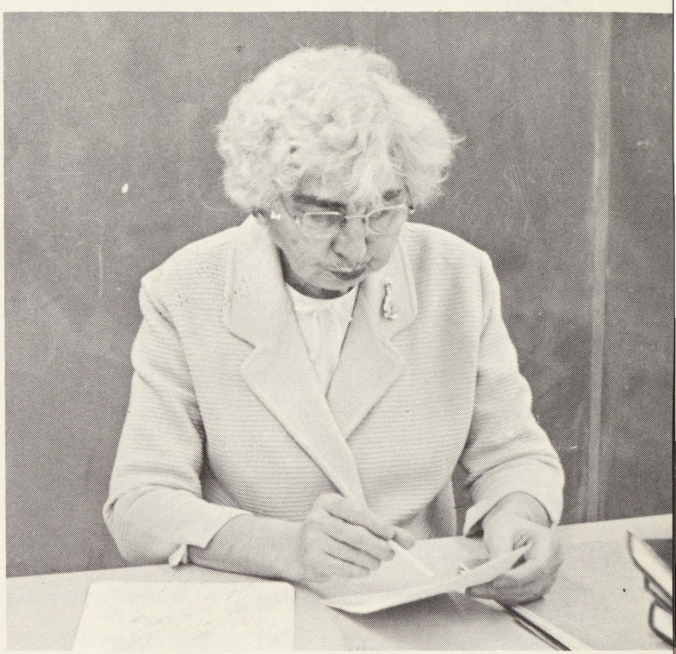
Besides great teachers, three of our Math students are quite prominent, finishing as finalists in the Michigan Competitive Mathematics Test.

Congratulations to our Math Department.

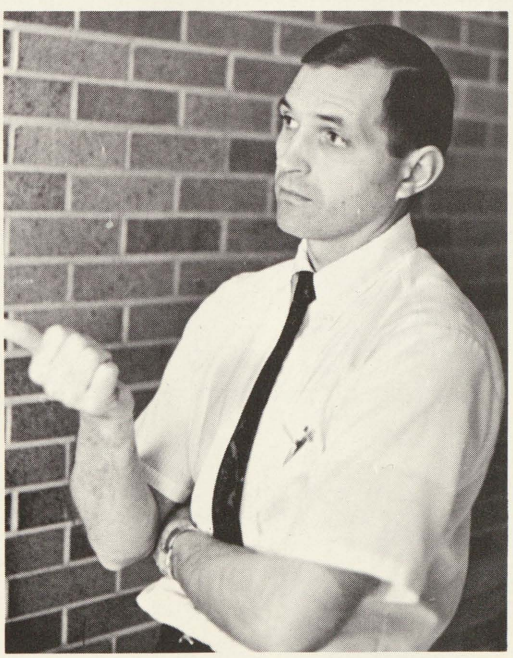
Problems



Gary Bublitz, Bill Schaper, and Bob Ball are the three finalists from MacArthur in the Michigan Competitive Math Test.

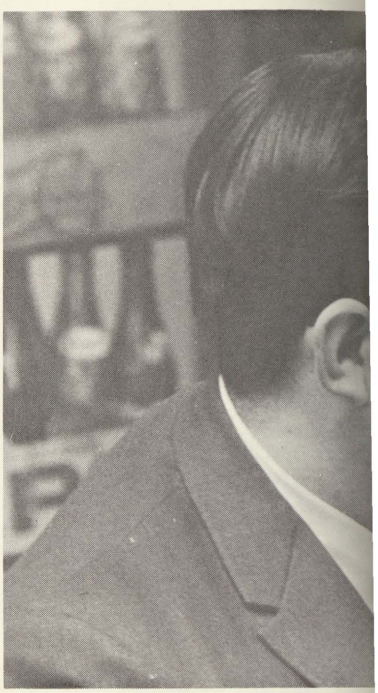


Miss Harrod, always anxious to help her students, reviews papers from her math class.



Mr. Swartzendruber makes a point.

Mrs. Secord wonders how someone could think up such an answer.



Mr. Winecke enjoys

Business Students Learn to Prepare

This year the head of the Business Department is Mr. Fenton. The job requires a lot of time and effort on his part.

Among the many different courses offered at Douglas MacArthur this year, were a variety of business courses. One had the opportunity to learn the skills of shorthand, typing, the use of office machines, and even more. The department not only has qualified teachers but also excellent facilities.

With the skills you accomplish you are ready for the future.

Mr. Fenton is head of the Business department.

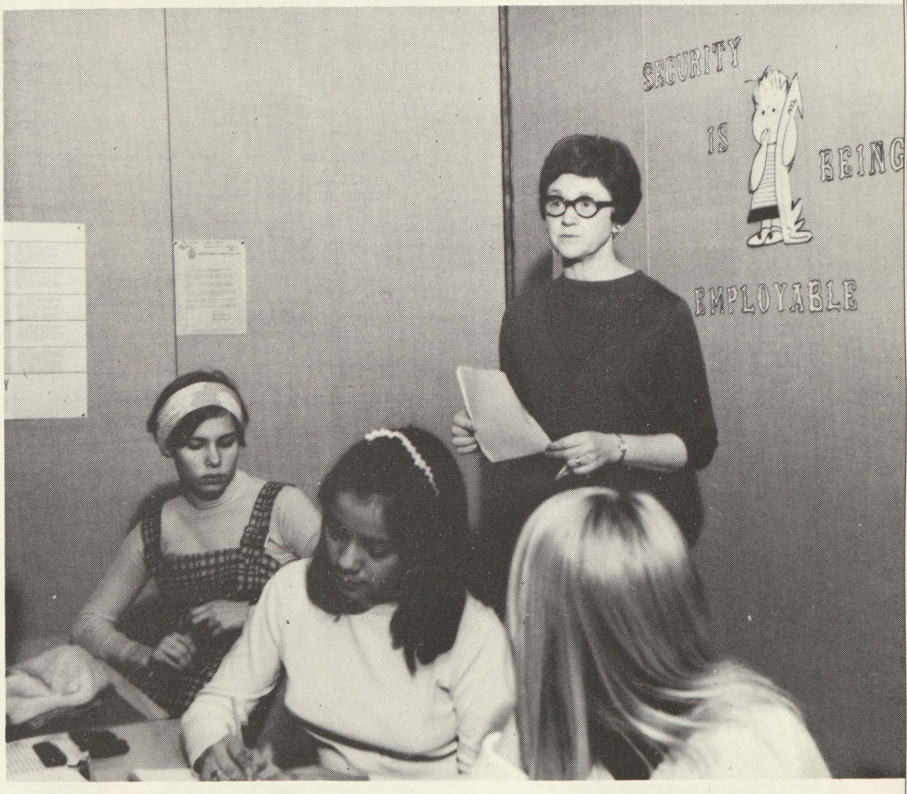
for the Future

Mr. Bailey answers one of Debbie Todds questions.



Mrs. Wilson, stunned by a brilliant remark by one of her students.
Mr. Meyers Co-op teacher is caught daydreaming by photographers.

Mary Ann Allen concentrates carefully on her sewing.

Girls Prepare For the Future

Homemaking this year consisted of Homemaking I,II,III, Senior Homemaking and Senior Homemaking Advanced. These courses are made up of sewing, cooking, child care, interior decorating and in more advanced courses they offer tailoring, costume designing, and human relations.

Mrs. Erhlinger teaches the courses of Homemaking I and II. and Miss Erdely: who is a new teacher this year teaches a combination of Homemaking I and II and the advanced courses offered. The Homemaking classes at Douglas MacArthur have prepared many girls for their future home life.

The Homemakers again this year put on a Spring fashion show in which they model the clothes they made in class.

Miss Erdelyi's 4th hour class waits for instructions.

Miss Erdelyi discusses grades with Karen Walker.

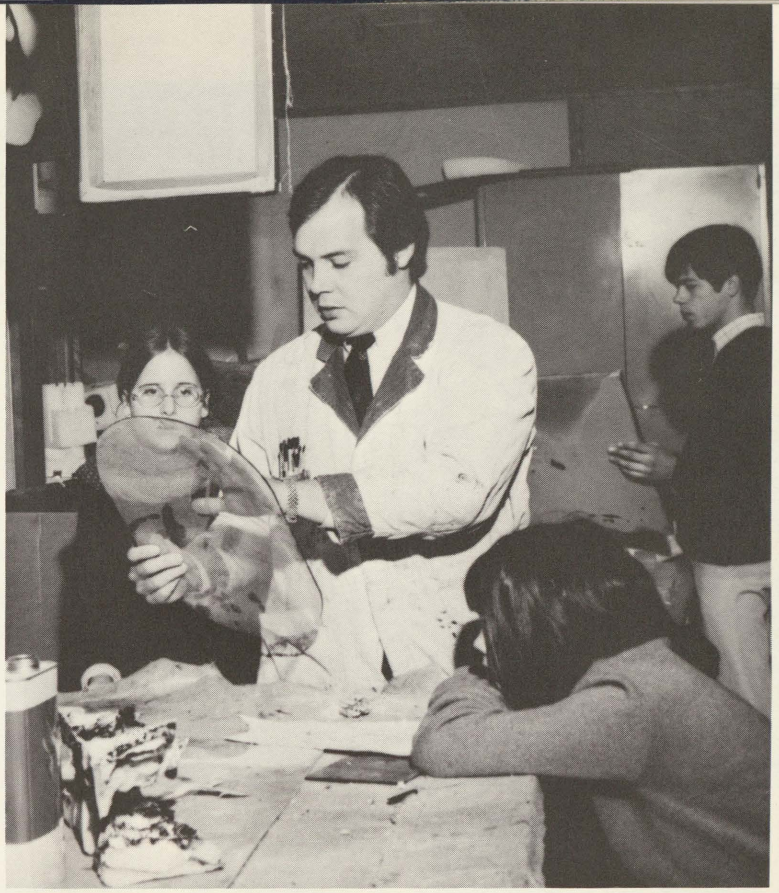
Mrs. Erhlinger assists Mary Jones in putting in a zipper.

Art Students Top Prize Winners

For the third year in a row, art students at MacArthur have swept the Regional Womens Club Art Exhibit at the Saginaw Museum. Four of the student's entries were top prize winners. The Art Dept. consists of Art I and II, Crafts and Advanced Art, taught by Mr. Sloan and Mr. Copp.

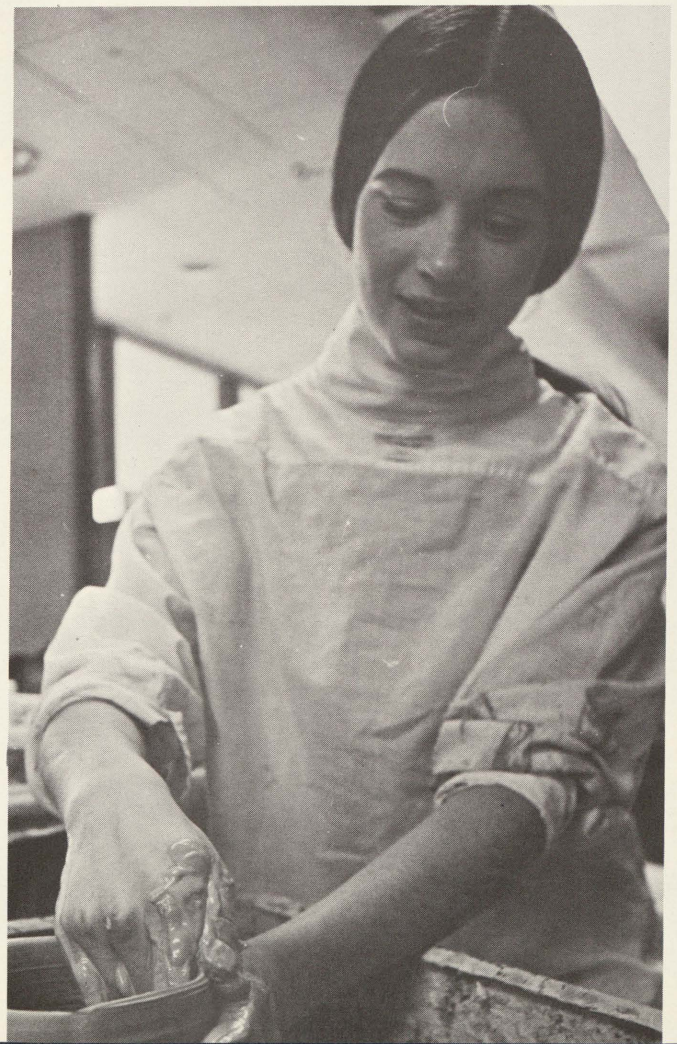
The crafts class is designed for students who do not plan to major in art, but who wish to experience an art class for creativity.

Arts I and II cover the basic elements of designing, drawing, and painting. Advanced Art is for the students who wish to achieve independent achievement in art.

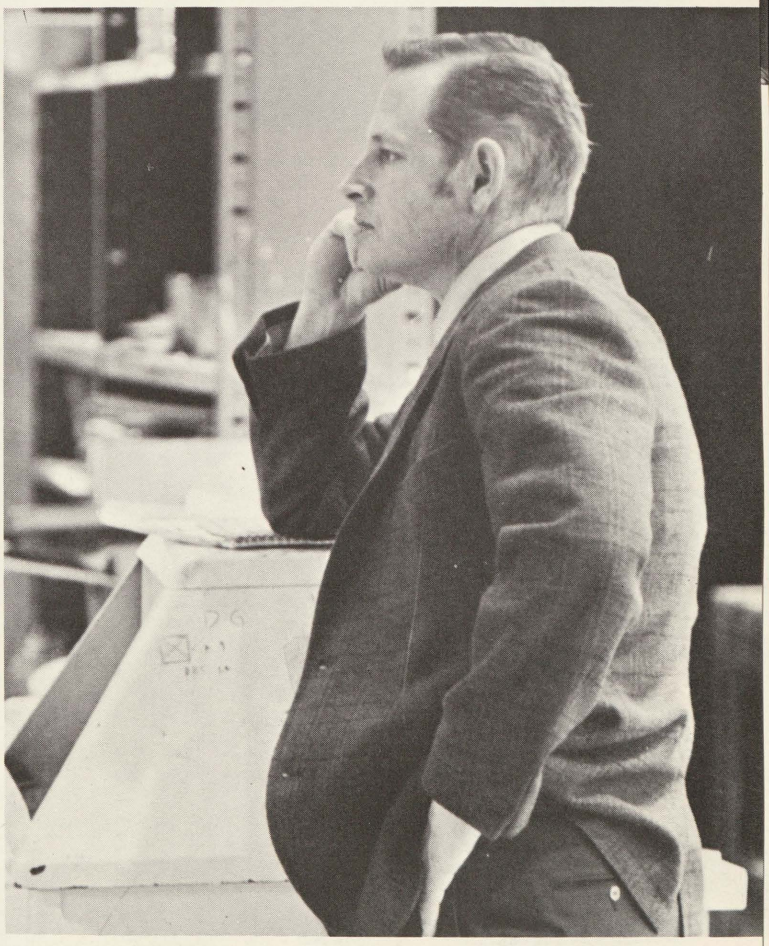


Mr. Sloan gives his students a few points.

Pat Nancarrow shows her skills at pottery.



Mr. Copp solemnly observes his busy class.

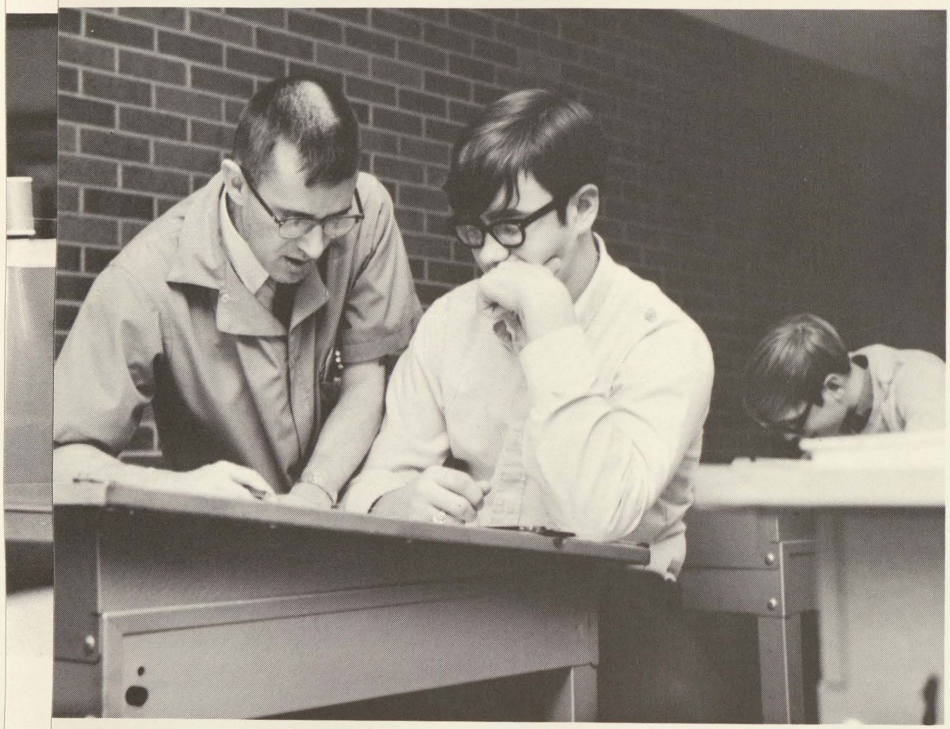


Industrial Arts

Industrial Arts develops a broad range of exploratory experiences. It stimulates creativity and inventiveness. It develops respectful attitude towards ones self and others, pride in workmanship, and attitude of safe working habits.

In Auto Mechanics one obtains skills and knowledge of varied measuring devices for checking allowable tolerance. Students obtain the knowledge needed to disassemble a multi-cylinder engine. Students acquire skills to locate and make proper adjustments on such items as internal combustion engines, drive lines, and total chassis.

Mr. Scherzer teaches how to work independently but safely.

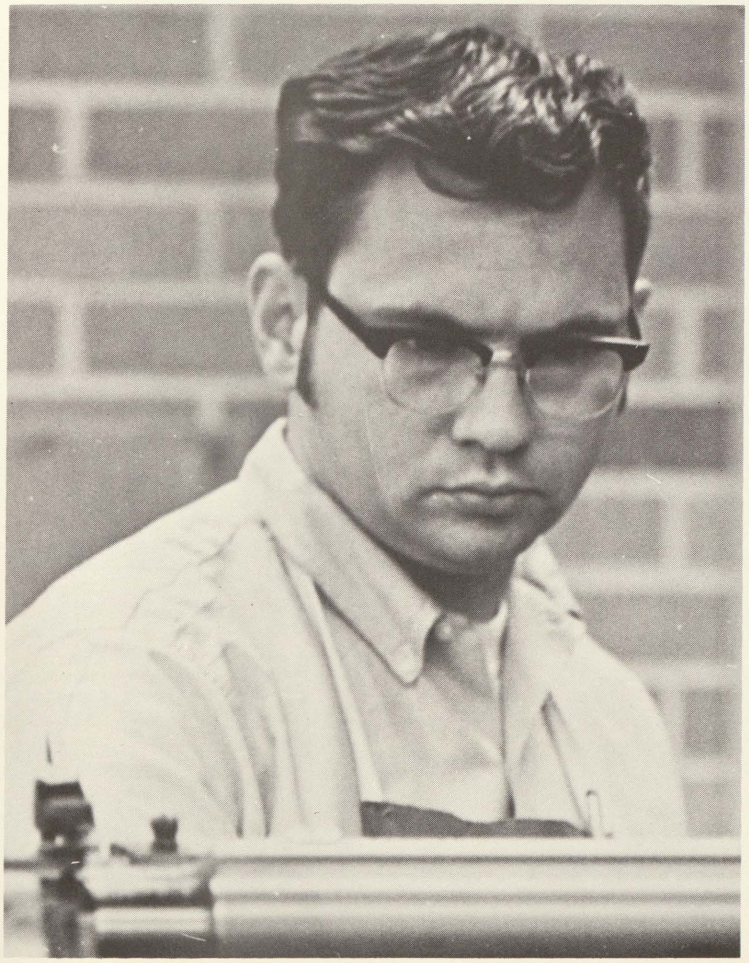


An Auto Mechanics student receives assistance from Mr. Scherzer.

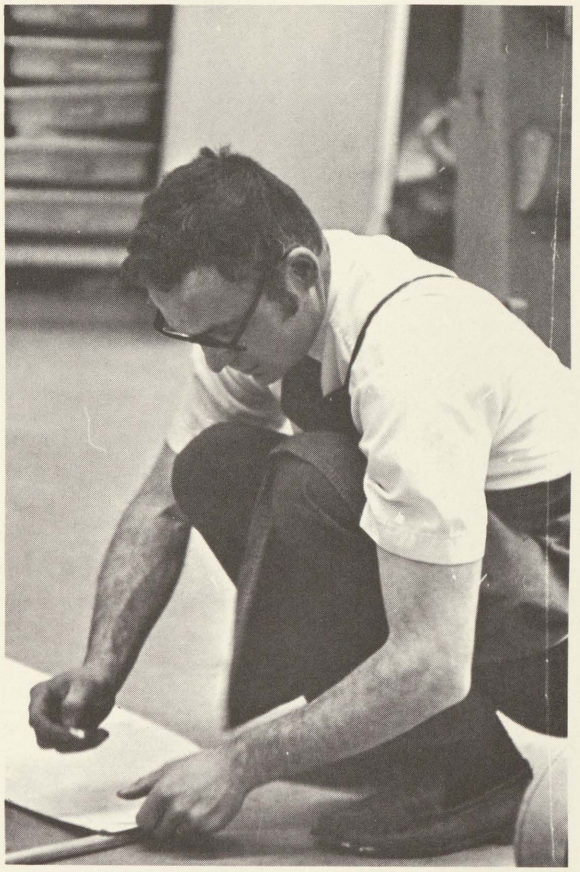
Mr. Martin discusses a drawing with a student.

Students Obtain Skills Safely

Mr. Lutzke looks on as students work.



Mr. Bilby concentrates deeply on his job.



Mr. Tomsich demonstrates in class.

Printing proves to be enjoyable.

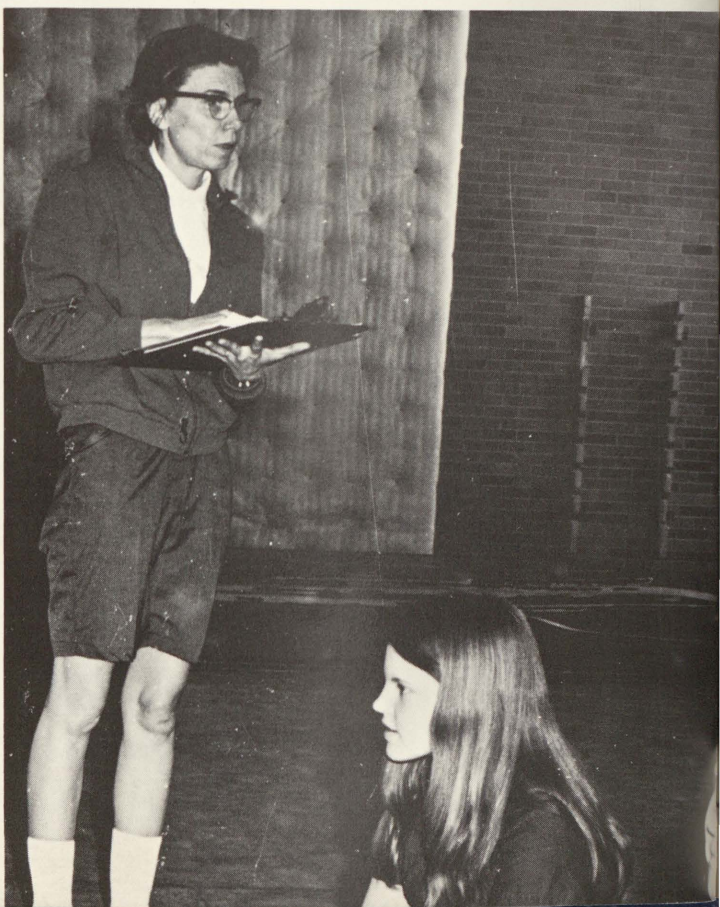
Mrs. Black starts out the day by roll call.



Fitness

The Physical Education program at Douglas MacArthur High School is geared to providing the student with a basic background in individual and team sport activities that can be of carry over value for leisure time now and during adult life. This program is set up to help the students learn more about their true self and understand the importance of developing and maintaining a healthy body.

Improving the students overall "physical fitness" and have them experience some of the many methods available to maintain a desired state of fitness, is the goal of all the physical education teachers.
